At this time, the board heard the following persons concerning the value of their properties:

	Name and Address Phone	Parcel ID #
1.	Harriett Butler 1875 Gun Club Road Henderson, NC 27537	0404 03012A

2.	Bill Fleming Jacksontown Road Henderson, NC 27537	0597 03030
3.	Anil Macwan 400 N. Cooper Street Henderson, NC 27536	0213 03010 0213 03011

Harriett Butler (Oak Grove of Vance County LLC). Ms. Porcha Brooks, Tax Administrator, was present and stated that the property being appealed is the Oak Grove School (Head Start) on Gun Club Road. The property is currently valued at \$332,928. Ms. Brooks explained that the tax office had originally sent out a notice for \$245,600. At that time, it was realized that a sound value of \$150,000 had been placed on the property. The school had not been properly measured or valued. After measuring the property, the value was determined to be \$332,928 by the current Schedule of Values. It was noted that the value of the land decreased. Ms. Butler was present and stated that the building was built in 1918 and is 98 years old. The school now serves over 200 children. Ms. Butler feels that the value of the property should be \$245,600.

After a lengthy discussion, motion was made by Commissioner Terry E. Garrison to adjust the value of Parcel# 0404 03012A to \$245,600. This motion was seconded by Commissioner Dan Brummitt and unanimously approved.

Ann G. Cole and Bill Fleming. Ms. Brooks stated that the property being appealed is on Jacksontown Road. It is valued at \$34,623 (\$1,750 per acre) which was determined by the current Schedule of Values and is consistent with surrounding properties. There are no sales comps available in this area. Mr. Fleming was present and stated that he feels the property is valued too high. He provided three sales comps of similar properties as follows: Marrow Road - \$30,000; Vandora Lane - \$31,000; and Tungsten Mind Road - \$15,000. He stated that these are the only sales he was able to find. He feels that his property should be valued at \$1,000 to \$1,200 per acre. Commissioner Deborah F. Brown stated that the sales comps provided are not comparable because of the location of the properties.

Motion was made by Commissioner Dan Brummitt to amend the tax valuation of Parcel# 0597 03030 to \$22,649. This motion died for a lack of a second.

Motion was made by Commissioner Thomas S. Hester, Jr. to send this matter back to the Tax Office for further review. This motion died for a lack of a second.

Attorney Care reminded the board that the more values are adjusted, the more out of line our base values will become.

After further discussion, motion was made by Commissioner Thomas S. Hester, Jr. to retain the value of Parcel# 0597 03030 at \$34,623. This motion was seconded by Commissioner Deborah F. Brown and vote was ayes - four (4); noes - three (3), with the dissenting votes being cast by Commissioners Brummitt, Wilder and Kelly.

Anil Macwan (Divine Hospitality LLC). Ms. Brooks stated that Mr. Macwan is appealing the value of two parcels, #0213 03010 and #0213 03011, which is the Baymont Inn property located on N. Cooper Drive. The two parcels were purchased in December 2015 for \$2,750,000. The value being appealed is \$2,445,139. Hampton Inn was used as a comp which is in the same area. Mr. Macwan stated that he also owns the Sleep Inn located on Market Street next to Maria Parham Hospital, which is valued at \$1,495,660. He stated that the two properties are located less than one mile apart. He feels the value of the Baymont Inn should be \$1.7 million.

After discussion, motion was made by Commissioner Archie B. Taylor, Jr. to retain the value of Parcel# 0213 03010 and Parcel# 0213 03011 at \$2,366,629 and \$78,510. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

At this time, motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Archie B. Taylor, Jr., vote unanimous, to adjourn the Board of Equalization and Review.

Dr. Stelfanie Williams, VGCC President, appeared before the Board and presented an activities update for the community college. The update included information on 2015-2016 selected highlights which included enrollment data, graduates, student residence profile, funding, the five-year strategic plan, strategic successes, and the economic impact study.

The Board thanked Dr. Williams for her report and commended her for her leadership at Vance Granville Community College.

At this time, Chairman Wilder recognized Mr. Robert Murphy who has served as Interim County Manager for the past 18 months. He presented Mr. Murphy with a certificate of appreciation and thanked him for leading the county over the past several months. Commissioner Brown thanked Mr. Murphy for his leadership and steering the board in the right direction. Commissioner Garrison stated that the board as a whole has grown under Mr. Murphy's leadership. Commissioners Brummitt, Hester and Kelly echoed these remarks and thanked Mr. Murphy for all he has done for Vance County. Mr. Murphy thanked the board for this recognition and stated that it has been a pleasure working with the board and staff.

Public comments were heard next. Mr. Ronnie Lambert spoke about the water system and stated that he paid \$125 for a wet tap, but did not hook up to the system. He is now being billed \$30 per month. He was told his bill would be \$20 per month. He does not agree with this arrangement. Commissioner Deborah F. Brown asked that the Water Committee review this matter.

Water District Board

At this time, Chairman Gordon Wilder called the Water District Board to order.

The July 2016 monthly operations report was submitted to the board members for their information.

Chairman Gordon Wilder adjourned the Water District Board.

Finance Director's Report

Surplus Property. Mr. Beck presented two pieces of office furniture from the tax office to be declared as surplus: one four drawer wooden desk and one wooden desk.

Motion was made by Commissioner Dan Brummitt to declare the items as surplus and authorize the Finance Director to dispose of the property as appropriate. This motion was seconded by Commissioner Deborah F. Brown and unanimously approved.

County Attorney's Report

REO Property - 436 Twelve Oaks Lane. County Attorney Jonathan S. Care stated that an offer has been made on the property located at 436 Twelve Oaks Lane, Henderson. The person who made the offer wrongly thought he owned the property. The individual that he bought the property from gave him a deed from a company that was non-existent. He was never the owner of record, and was paying taxes on property that he never owned. He has requested to have the property deeded over to him, but the county does not have statutory authority to do that. It must go through the upset bid process.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Dan Brummitt, vote unanimous, to approve the following resolution authorizing the upset bid process for the sale of real property located at 436 Twelve Oaks Lane, Henderson, NC:

**RESOLUTION AUTHORIZING UPSET BID PROCESS
FOR SALE OF REAL PROPERTY
436 Twelve Oaks Lane, Henderson, NC 27537**

WHEREAS, Vance County owns certain real property with an address of **436 Twelve Oaks Lane, Henderson, North Carolina 27537**, and more particularly described by the Vance County Tax Department as Parcel Number **0547 02069**; and,

WHEREAS, North Carolina General Statute §160A-269 permits the county to sell real property by upset bid, after receipt of an offer for the property; and,

WHEREAS, the County has received an offer to purchase the real property described herein above in the amount of **\$1,000.00** subject to the terms and conditions as included in the submitted offer to purchase bid, submitted by ***Damaso Trejo and wife Martha Trejo***; and,

WHEREAS, ***Damaso Trejo and wife Martha Trejo*** have paid the required deposit in the amount of **\$750.00** with their offer.

THEREFORE, THE VANCE COUNTY BOARD OF COMMISSIONERS RESOLVES THAT:

1. The Board of County Commissioners declares the real property described above surplus and authorizes its sale through the upset bid procedure of North Carolina General Statute §160A-269.

2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall require any upset offer be subject to the same terms and conditions as contained therein except for the purchase price.

3. Any person may submit an upset bid to the Clerk to the Board of County Commissioners within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.

4. If a qualifying upset bid is received, a new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of County Commissioners.

5. A qualifying higher bid is one that raises the existing offer by the greater of \$750 or ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of the offer and is subject to the same terms and conditions of the previous bid.

6. A qualifying higher bid must also be accompanied by a deposit in the amount of the greater of \$750 or five percent (5%) of the bid, which may be made by cash, cashier's check or certified funds. The County will return the deposit of any bid not accepted and will return the bid of an offer subject to upset if a qualifying higher bid is received.

7. The terms of the final sale are that the Board of County Commissioners must approve the final high offer before the sale is closed and the buyer must pay with certified funds or wire transfer the bid amount and any other amounts as required pursuant to the terms and conditions of the bid at the time of closing, which shall be no later than 30 days following the approval by this Board of the final bid. The real property is sold in its current condition, as is, and the County gives no warranty with respect to the usability of the real property or title. Title will be delivered at closing by a **Non Warranty Deed**, subject to exceptions for ad valorem taxes, assessments, zoning regulations, restrictive covenants, street easements, rights of others in possession and any other encumbrances of record. Buyer shall pay for preparation and recording of the Deed and revenue stamps.

8. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted **and the right to reject all bids at any time**.

9. If no qualifying upset bid is received, the Board of County Commissioners will accept or reject the bid submitted within 60 days after the close of the 10-day upset period.

Adopted this the 1st day of August, 2016.

Selection of Medical Director. Mr. Murphy explained that the County is required to appoint a physician to serve as the medical director to oversee the Emergency Medical Services (EMS), Emergency Medical Dispatch (EMD), and Advanced Life Support (ALS) programs. The County's three year contract with Vigilint Protective Health Solutions, LLC expires August 31st. During the course of the contract, Dr. Matthew Bittner with Vigilint has served as the Emergency Director and service has been impacted due to his relocation to South Carolina. The EMS and the Emergency Operations Directors have recommended contracting with Dr. Bernard Michael Smith, who is a local physician and has worked in the same role in the past. Dr. Smith is accessible, will bring stability to the position, and has had a good working relationship with the County. The one year contract will cost \$26,000 compared to \$27,500 with Vigilint. Mr. Murphy recommended approval of a contract with Dr. Bernard Michael Smith to serve as the County's Emergency Medical Director.

Broadband Initiative. Mr. McMillen stated that a working group consisting of representatives from the County, School System and Community College has worked with the COG and the NC Broadband Initiative to develop a broadband survey for the County. The survey is a first step in determining areas in need of high speed internet access and is necessary to attract state grant funding for more in-depth analysis. Similar surveys by counties in North Carolina have had the effect of encouraging internet providers to expand coverage in rural areas

where demand is present. The survey will be released online and in paper format in the coming weeks as the schools begin the new school year.
