

STATE OF NORTH CAROLINA

COUNTY OF VANCE

The Vance County Board of Commissioners met in regular session on Monday, February 5, 2018 at 6:00 p.m. in the Commissioners' Conference Room, Vance County Administration Building, 122 Young Street, Henderson, NC. Those Commissioners present were as follows: Chairman Thomas S. Hester, Jr., Vice-Chairman Archie B. Taylor, Jr., Commissioners Dan Brummitt, Carolyn Faines, Yolanda J. Feimster, Leo Kelly, Jr., and Gordon Wilder.

Absent: None.

Also present were County Manager Jordan McMillen, Finance Director David C. Beck, County Attorney Jonathan S. Care, and Clerk to the Board Kelly H. Grissom.

Pastor Frank Sossamon, South Henderson Pentecostal Holiness Church, gave the invocation. He also informed the board of National Day of Prayer activities coming up in May.

County Manager Jordan McMillen recognized Chairman Thomas S. Hester, Jr. and congratulated him on receiving the "Citizen of the Year" award from the Henderson-Vance Chamber of Commerce. He also recognized Commissioner Dan Brummitt and noted that he was appointed to the Cardinal Innovations Board as well as the Cardinal Innovations Finance Committee.

Frankie Nobles, Chief Animal Control Officer, appeared before the board and noted that on January 27th, Animal Services received a \$10,000 grant from Community Partnership for Pets. The funds will be used for the spay/neuter program, rabies vaccines, and a Trap/Neuter/Return Program for cats. He recognized Ms. Tracy Dreibelbis, a shelter volunteer, and stated that she had informed him about this particular grant opportunity. On January 28th, Animal Services was invited to attend a Monster Donation Drive in Apex and received a donation of various shelter supplies worth \$3,000 to \$4,000. He also noted that a sensory garden will be put at the shelter this spring. The garden will include easy-to-digest plants and flowers for the animals, play tires and ramps, and turf grass. Chairman Hester thanked Mr. Nobles for his hard work and thanked Ms. Dreibelbis for informing Mr. Nobles about the grant opportunity with Community Partnership for Pets.

As advertised, a public hearing was held to gain citizen input on the FY 2018-19 Budget. As there was no one present who wished to speak on this matter, Chairman Thomas S. Hester, Jr. declared the public hearing closed.

Mr. Kaine Riggan, Downtown Development Commission (DDC), was next on the agenda and provided an update on Downtown Development activities. He also requested \$20,000 from the county budget to transition the Director's contract from part-time to full-time. He explained that in order to progress from a Downtown Associate Community to a designated Main Street Community with the NC Department of Commerce, the DDC must have a full-time staff person. This allows Vance County's central business district to qualify for grant dollars and technical support funds that are only available to Main Street designees. He stated that this expenditure would be offset by the increased sales tax revenue that Vance County collects from the newly-recruited retail and restaurant tenants. He noted that since September, downtown has increased from two restaurants to six. The board thanked Mr. Riggan for his report and for keeping the board informed of downtown activities.

Commissioner Carolyn Faines stated that she supports improvements made to downtown, but reminded the board that there are areas out in the county that also need improvements.

Water District Board

Chairman Thomas S. Hester, Jr. called the Water District Board to order.

Committee Report - Incentives for Water Customers. Commissioner Gordon Wilder stated that the committee (Wilder[C], Brummitt & Taylor) met on Thursday, January 25, 2018 and discussed incentives for adding customers to the water system. Staff presented the following two potential incentives for review: 1) Outstanding Balance Forgiveness for Availability Customers: Once availability customers connect to the system for a period of time, the outstanding balance or portion thereof would be forgiven; 2) Referral Incentive (applies only to existing/active customers) – Allows existing/active customers to receive a credit on their water bill for referring a friend or neighbor who becomes an active customer as well. The committee was in favor of the second incentive and instructed staff to develop the necessary language and specifics for consideration at a future committee meeting. The committee also heard from three availability customers and one active customer who favored eliminating the \$30 base fee and replacing it with another type of annual tax or assessment fee. The committee asked staff to prepare and update the various options for bringing the water system to self-sufficiency for discussion at the next water committee meeting.

The January 2018 operations report was presented to the board for information.

At this time, Chairman Thomas S. Hester, Jr. closed the Water District Board.

Committee Reports and Recommendations

Human Resources Committee - Payroll Period Change. Commissioner Carolyn Faines reported that the committee (Faines[C], Taylor & Wilder) met Monday, January 22, 2018 and discussed a proposal from staff to revise the county's payroll period. The current period runs from the first to last day of each month and provides advance payment to employees for the entire month on the 25th of each month. By paying employees in advance, situations arise where employees leave county employment, enter medical leave, or take unexpected days off causing overpayment. This causes challenges for staff rectifying overpayment cases when employees leave county employment. The committee discussed several options to include changing the payday to bi-monthly and/or moving the payday back to the end of the month and recognized these were aids, but not fixes. The committee favored moving to a payment in arrears payroll period as is the case for all surrounding counties and the trend in most NC counties. The committee felt this would better protect the county's assets, while recognizing there would be an impact to pay checks during the first month it is implemented. The committee discussed the importance of providing adequate and advanced notice to employees and was in agreement with staff recommendations to allow staff to use up to two weeks of vacation to make up for the lower pay check during the implementation month. Staff and the committee discussed the potential implementation timeframe and felt a fall implementation would be sufficient. Recommendation: Approve a payroll period change for county employees that allows timesheets to align with the pay period, while paying employees in arrears for actual time worked.

Motion was made by Commissioner Archie B. Taylor, Jr., seconded by Commissioner Dan Brummitt, vote unanimous, to approve a payroll period change for county employees that allows timesheets to align with the pay period, while paying employees in arrears for actual time worked.

Properties Committee - DSS Relocation. Commissioner Dan Brummitt reported that the committee (Brummitt[C], Taylor & Wilder) met Thursday, January 25, 2018 with Ann Collier and Tim Oakley of Oakley Collier Architects and Krystal Harris with Vance County DSS to consider a proposal for proceeding with a schematic design for the A&P and Home Bazaar buildings on North Garnett Street. The committee reviewed the proposal and recommended that a more informal process be used to avoid spending funds on a specific site until better ideas of lease and upfit costs were obtained. The committee asked staff to begin discussions with the

property owner to investigate the ownership situation and potential lease rates and asked the architect to research contractor construction estimates.

Properties Committee - Administration Building Window Replacement. Commissioner Brummitt stated that the committee was informed that this project was nearly complete with a total of 24 windows replaced and bars refurbished. The committee discussed replacing one additional window in the Register of Deeds office that is broken. The contractor originally felt they could repair the window, but due to the age of the window, it will be necessary to replace the window. The replacement is within budget and the committee recommended proceeding forward with Change Order #4 totaling \$6,035.

Motion was made by Commissioner Dan Brummitt, seconded by Commissioner Gordon Wilder, vote unanimous, to approve Change Order #4 with Bar Construction totaling \$6,035 for the replacement of one window in the Register of Deeds Office.

Properties Committee - Administration Building Elevator Modernization Update. Commissioner Brummitt advised that the committee was made aware that the elevator did not pass the final inspection due to an issue with the jack being unable to hold the required pressure and weight of the elevator. The project involved modernizing nearly all portions of the elevator although the jack was not included in the scope of service as a result of it being installed in 1973 or two years after the code requirement for replacement. The committee was informed that the county's consultant is investigating the issue with the jack, although due to its age and to bring the elevator back into service, it appears it will need to be replaced at an approximate cost of \$40,000. The committee will discuss this matter further upon having additional information from the consultant, and the committee would like guidance from the entire board on how to proceed with this in the timeliest manner.

County Manager Jordan McMillen suggested that the board authorize the Properties Committee to approve change orders related to this specific project in order to expedite completion of the repairs.

Motion was made by Commissioner Dan Brummitt to authorize the Properties Committee to execute change orders on the elevator modernization project. This motion was seconded by Commissioner Gordon Wilder and unanimously approved.

Finance Director's Report

Amended Audit Contract. Finance Director David C. Beck stated that the State

Treasurer's office requires county audit reports to be submitted for review no later than December 15th following the end of the fiscal year being audited. If this deadline is not met, an amended audit contract is required. Our audit firm, Thompson, Price, Scott, Adams & Co. (TPSA) was hit with a computer virus in October that delayed completion of their work. We are finalizing the audit report at this time and it will be submitted to the state as soon as possible. We are planning to have the audit presented to the Board of Commissioners at a special called meeting later this month. The amended contract between TPSA and the county does not change the original contract price of \$44,350, it only extends the term of the contract. Mr. Beck recommended that the board approve the amended audit contract as presented.

Motion was made by Commissioner Gordon Wilder, seconded by Commissioner Carolyn Faines, vote unanimous, to approve the amended audit contract as presented.

County Attorney's Report

REO Properties. County Attorney Jonathan S. Care noted that during its January meeting, the board of commissioners approved the public sale process for Lot 23 Dabney Heights, Parcel 0408A01023; 613 Farrar Avenue, Parcel 0079 06002; Lot F1 Pinecrest Road, Parcel 0037A04008; and 513 Zene Street, Parcel 0025 09001. The properties were advertised through the upset bid process and none were received. The board is now free to sell the properties or reject the offers. This should be done by resolution.

Motion was made by Commissioner Dan Brummitt, seconded by Commissioner Carolyn Faines, vote unanimous, to adopt the following resolutions accepting the bids for Lot 23 Dabney Heights, Parcel 0408A01023; 613 Farrar Avenue, Parcel 0079 06002; Lot F1 Pinecrest Road, Parcel 0037A04008; and 513 Zene Street, Parcel 0025 09001.

County Manager's Report

Resolution - Black History Month. County Manager Jordan McMillen advised that February has been observed nationally as Black History Month. Vance County has traditionally encouraged its citizens to participate in related events that create a greater awareness and appreciation of contributions made by African-Americans. Recommendation: Adopt the resolution in support of the designation of February as Black History Month in Vance County.

Motion was made by Commissioner Gordon Wilder, seconded by Commissioner Carolyn Faines, vote unanimous, to adopt the following resolution in support of the designation of February as Black History Month in Vance County.

RESOLUTION
by the
Vance County Board of Commissioners
in designation of
February 2018 as Black History Month in Vance County

WHEREAS, for 86 years in the United States, at least some part of the month of February has been observed in recognition of black history and the many accomplishments and contributions made to society by African-Americans; and

WHEREAS, the second week of February was selected by Carter Woodson, a noted Washington, D.C. author, editor, historian, and publisher, to defend black humanity and highlight the accomplishments of his ancestors; and

WHEREAS, in 1976 the entire month of February was included in the bicentennial celebration of the United States, and every single American President has since designated February as National Black History Month; and

WHEREAS, since 2006, the Vance County Board of Commissioners has annually established February as a special month to recognize and celebrate the essential roles of African-Americans throughout Vance County; and

WHEREAS, the Board of County Commissioners sincerely desires for all citizens to thoroughly understand and appreciate value added to the local economy and overall community by African-Americans of all socio-economic levels.

NOW THEREFORE BE IT RESOLVED, that the Vance County Board of Commissioners does officially designate February 2018 as Black History Month in Vance County, and in doing so, does recognize the accomplishments and countless significant contributions made to society by individuals of African heritage.

BE IT FURTHER RESOLVED, that the Vance County Board of Commissioners does encourage businesses, churches, civic organizations, schools, and citizens of all races and color to actively participate in the observance and celebration of Black History Month in Vance County during the month of February 2018.

This, the 5th day of February, 2018.

Semi-Annual Jail Inspection Report. Mr. McMillen advised that the State conducted its periodic jail inspection on January 9, 2018 and submitted its report to the county. The deficiency noted involved the communication system within a portion of the Jail. Jail staff is currently preparing an appropriate corrective action response and has already addressed the deficiencies through direct supervision. A project within the county's CIP for FY19 will also serve as a solution to the issue. Recommendation: Act to receive the report as information.

Motion was made by Commissioner Dan Brummitt to receive the semi-annual jail inspection report as presented. This motion was seconded by Commissioner Gordon Wilder and unanimously approved.

Mako Medical - Building Reuse Grant Contracts. Mr. McMillen noted that the County recently received the contracts and performance agreements from the NC Commerce Department for the Mako Medical building reuse grant. The contracts include a grant agreement between the NC Department of Commerce and Vance County, a legally binding commitment between the property owner, Bynum Properties 3, LLC and Vance County, and a promissory note from the property owner. The building reuse grant, as previously discussed, totals \$500,000 and is utilized to cover a portion of the upfit costs and improvements to the real property. The grant requires the creation of 76 full-time jobs over an 18 month period above and beyond the company's baseline of 169 existing jobs. Mako has requested that the county release the funds in accordance with Department of Commerce requirements. Recommendation: Approve and authorize the chairman to execute the Mako Medical building reuse grant agreement, legally binding commitment, and promissory note subject to final attorney review and release the funds in accordance to Department of Commerce requirements.

Motion was made by Commissioner Archie B. Taylor, Jr. to approve and authorize the chairman to execute the Mako Medical building reuse grant agreement, legally binding commitment, and promissory note subject to final attorney review and release the funds in accordance to Department of Commerce requirements. This motion was seconded by Commissioner Gordon Wilder and unanimously approved.
