

STATE OF NORTH CAROLINA

COUNTY OF VANCE

The Vance County Board of Commissioners met in regular session on Monday, March 2, 2015 at 6:00 p.m. in the Commissioners' Conference Room, Vance County Administration Building, 122 Young Street, Henderson, NC. Those Commissioners present were as follows: Chairman Archie B. Taylor, Jr., Commissioners Deborah F. Brown, Dan Brummitt, Terry E. Garrison, and Thomas S. Hester, Jr.

Absent: Commissioners Gordon Wilder and Eddie L. Wright.

Also present were Interim County Manager Robert M. Murphy, Finance Director David C. Beck, County Attorney Jonathan S. Care, and Clerk to the Board Kelly H. Grissom.

Rev. Joseph Ratliff, Shiloh Baptist Church, gave the invocation.

As advertised, at 6:10 p.m., a public hearing was held to gain citizen input on a rezoning request for 7996 NC 39 Hwy South. The applicant is Eastern Pride, Inc. The property owner is Alice Jones. Mr. Jordan McMillen, Deputy County Manager/Planning Director, stated that the request is to amend the zoning map to rezone one parcel (1.49 acres) from Residential Medium Density (R-20) to Highway Commercial (H-C). The parcel is located 150 feet from the Epsom Crossroads of NC 39 Hwy South, New Bethel Church Road and Epsom Rocky Ford Road. The surrounding land use is predominantly open in nature and residential with R-20 zoning to the north and R-30 zoning to the east on the opposite side of NC 39 South. To the south is an existing retail store that is zoned General Commercial. All parcels in this area are zoned as they were since countywide zoning was established in November 2011.

This rezoning changes the allowable uses of the property from being residential in character to retail trade and services for the convenience of nearby residential areas. The rezoning would increase the front and rear setbacks and would reduce the side setbacks. The maximum lot coverage would increase from 25% to 60%, promoting a higher density that is typical with retail development. Screening and buffering would be required between the commercial use and the surrounding residential properties.

The following persons spoke in opposition of the rezoning: Sam Newton, Diane Edwards, G.C. Tant, Jeffrey Edwards, and Randy Kearney. A petition was presented to the Board with 30 signatures opposing the rezoning request.

The following persons spoke in favor of the rezoning: Marie Peedin, representing Eastern Pride, Inc., Donald Matthews, and Alice Jones.

As there were no other persons who wished to speak on this matter, Chairman Archie B. Taylor, Jr. declared the public hearing closed.

Commissioner Deborah F. Brown asked Mr. McMillen about the Planning Board's discussions on this matter. Mr. McMillen responded that the Planning Board heard from eight people during its public hearing, both in favor and in opposition of the rezoning. The Planning Board looked at the overall character of the area and determined that Highway Commercial zoning is suitable for the area.

Commissioner Dan Brummitt stated that the Board of Commissioners must look at this matter from a legal standpoint and determine if the area is suitable for this type of zoning, and not focus on what type of business is planning to locate there.

Motion was made by Commissioner Thomas S. Hester, Jr., seconded by Commissioner Dan Brummitt, vote unanimous, to approve the rezoning request for 7996 NC 39 Hwy South by the following rationale: the rezoning request is in the public interest as it will provide an alternative for citizens in a rural area and is reasonable as it encourages commercial development in an area that includes other existing commercial uses. While the Epsom Community is not officially designed as a development community in the Vance County Land Use Plan, it is similar in character to other crossroad communities throughout the county, which have experienced commercial development and growth.

As advertised, a public hearing was held to gain citizen input on a rezoning request for 1252 Warrenton Road. The applicant and property owner is Jason Righter. Mr. Jordan McMillen, Deputy County Manager/Planning Director, stated that the request is to amend the zoning map to rezone one parcel (1.746 acres) from Agricultural Residential (A-R) to Residential Low Density (R-30). The parcel is currently vacant, but a dwelling previously occupied the property. The surrounding land use is mixed in nature. In the immediate vicinity of this property, there are both Residential (R-10 and R-30 districts) as well as Agricultural (A-R district) uses. Approximately 1/10 of a mile to the west of the property is a Highway Commercial-designated property at the intersection of Carey Chapel Road. All parcels in this area are zoned as they were since countywide zoning was established in November 2011.

This rezoning changes the allowable uses of the property from being agricultural and residential in character to strictly residential. The rezoning would reduce dimensional requirements. The minimum lot area would decrease from one acre to 30,000 square feet. The setbacks would decrease and the street frontage would decrease from 150 feet to 100 feet. Given the current acreage of the property, rezoning to R-30 would allow for a minor subdivision creating a second lot. A perk test will be required to determine if two septic tanks could be installed on the property. The water supply for this property will be county water.

The Planning Board recommended approval of the rezoning request on February 12, 2015.

Janie Inscoe spoke on behalf of her parents in opposition of the rezoning.

As there was no one else from the public who wished to speak on this matter, Chairman Archie B. Taylor, Jr. declared the public hearing closed.

Motion was made by Commissioner Deborah F. Brown, seconded by Commissioner Dan Brummitt, vote unanimous, to approve the rezoning request by the following rationale: the rezoning is consistent with the character and land uses of the surrounding area and will promote residential development.

The next item on the agenda was a Proclamation recognizing the Girl Scouts North Carolina Coastal Pines. Chairman Taylor asked Ms. Diane Marks, Service Unit Manager, and the Girl Scout members who were present to come forward. Chairman Taylor read the following proclamation and presented it to the Girl Scouts. He thanked them for their service to the community.

Mr. Dean Horne, Carr Riggs & Ingram was next on the agenda to present the FY 2013-14 Audit Report. Mr. Horne reported that the County had received an unmodified opinion which is the best a county can receive. The total fund balance increased by \$2,003,110 for the General Fund for a balance of \$16,425,080. The total revenues last year were \$44,916,255 and expenditures for the General Fund were \$42,913.45. Unassigned funds are \$11,477,151, which is 24% of next year's budget. This is well within what is required by the Local Government Commission.

After brief discussion, motion was made by Commissioner Dan Brummitt to accept the FY 2013-14 Audit Report as presented. This motion was seconded by Commissioner Terry E. Garrison and unanimously approved.

Public comments were heard next. Mr. Michael Bobbitt spoke and asked if the scope of the audit includes a review of systems and accounting procedure controls, and does the audit include actions to enhance the effectiveness and efficiency of those controls. He also noted that grant funds have been allocated to install a heating system at the Farmers Market, and later on the agenda, it will be requested that the Farm Bureau be exempt from paying a rental fee for the use of the Farmers Market. He asked who will pay for the utilities if they are granted free use.

Auditor Dean Horne responded that internal controls procedures were reviewed and addressed accordingly.

Water District Board

*Change Order – Phase 1A Remaining Funds.* Mr. Jordan McMillen, Deputy County Manager/Planning Director, stated that this committee (Garrison [C], Brummitt, and Taylor) met February 19 and reviewed an analysis of expenditures and cost projections for Phase 1A as it relates to spending the remaining grant funds. During this review, the committee was informed

that USDA has responded to the County's request for moving funds between Phases and will not allow the County to move funds between Phases or to areas that were not in the original preliminary engineering report. USDA has, however, left the door open for the County to obtain additional grant funds for the NC 39 South corridor area within Phase 1A. In order to spend the remaining grant funds in Phase 1A, the committee recommended proceeding with a change order to add on the next section of Rock Mill Road (extending south from Finch Road) at a total cost of \$369,883 with additional inspection costs not to exceed \$23,000. The committee's recommendation was to approve Contract 2 - Change Order #6 for Phase 1A with H.G. Reynolds in an amount not to exceed \$369,883 to utilize the remaining grant funds for extending a waterline along Rock Mill Road subject to USDA approval.

Motion was made by Commissioner Terry E. Garrison to approve Contract 2 - Change Order #6 for Phase 1A with H.G. Reynolds in an amount not to exceed \$369,883 to utilize the remaining grant funds for extending a waterline along Rock Mill Road subject to USDA approval. This motion was seconded by Commissioner Thomas S. Hester, Jr. and unanimously approved.

The Committee also recommended approval of additional funds for construction inspections in an amount not to exceed \$23,000.

Motion was made by Commissioner Terry E. Garrison, seconded by Commissioner Dan Brummitt, vote unanimous, to approve additional funds for construction inspections in Phase 1A in an amount not to exceed \$23,000.

*Water Pricing Alternatives.* Mr. McMillen stated that the committee held an in-depth discussion regarding the financial outlook for the water system and reviewed potential pricing options/alternatives and associated impacts of the options on total revenue. During this discussion, the committee reviewed updated income statements and customer projections showing an approximate amount of \$455,000 that will be necessary from the General Fund to support the Water Fund in the upcoming budget. The committee discussed the need for balancing the citizen concerns with the base rate and creating alternatives to encourage participation versus the significant shortfall in revenue for the system. In reviewing the pricing alternatives, the committee has asked staff to prepare data to explore a revised fee schedule that would provide an allowance of water to benefit the elderly and low income customers. Additionally, staff will be working with the Tax Office to determine a value for properties

located within the Water District. The committee will be continuing this discussion and providing recommendations to the full Board as necessary at a later time.

*Schedule Public Hearing - Extension of Bond Order.* Finance Director David C. Beck stated that the original bond referendum for the general obligation water bonds was passed in 2008, and we have a seven year time frame to issue those bonds. The referendum was passed for a total of \$27,000,000 in bonds, but the project is much smaller than that. The bond order expires in May 2015. In order for a three year extension to be requested, a public hearing must be held.

The Board discussed this matter and scheduled the public hearing for Thursday, March 12, 2015 at 5:00 p.m.

*USDA Bond Issuance Resolution.* Finance Director David C. Beck requested approval of the USDA Bond Issuance Resolution. He stated that the resolution is to issue the general obligation bonds for Phases 2A and 2B.

After a brief discussion, motion was made by Commissioner Terry E. Garrison, seconded by Commissioner Thomas S. Hester, Jr., vote unanimous, to approve the following resolution providing for the issuance of \$2,196,000 general obligation water bonds, series 2015A and \$3,937,000 general obligation water bonds, series 2015B.

**RESOLUTION PROVIDING FOR THE ISSUANCE OF \$2,196,000  
GENERAL OBLIGATION WATER BONDS, SERIES 2015A AND  
\$3,937,000 GENERAL OBLIGATION WATER BONDS, SERIES 2015B**

BE IT RESOLVED by the Board of Commissioners (the “Board”) for the County of Vance, Carolina, in its capacity as the governing body of the Vance County Water District (the “District”), as follows:

Section 1. The Board has determined and does hereby find and declare as follows:

(a) An order authorizing \$27,000,000 Water Bonds of the District was adopted by the Board for the District on March 10, 2008, which order was approved by the vote of a majority of the qualified voters of the District who voted thereon at a referendum duly called and held on May 6, 2008.

(b) \$5,627,000 of said bonds has been issued and there is outstanding \$6,133,000 Water Bond Anticipation Notes of the District, dated July 14, 2014, maturing April 8, 2015 (the “Maturing Notes”), which notes were issued in anticipation of the receipt of the proceeds of the sale of a like amount of said bonds.

(c) It is necessary to issue \$6,133,000 of the said bonds at this time, all of the proceeds thereof, together with other moneys of the District, to be applied to the payment of \$6,133,000 principal of the Maturing Notes at their maturity.

(d) The bonds to be so issued will be issued in two series, consisting of a series of bonds in the aggregate principal amount of \$2,196,000 designated General Obligation Water Bonds,

Series 2015A and a second series of bonds in the aggregate principal amount of \$3,937,000 designated General Obligation Water Bonds, Series 2015B.

(e) The maximum period of usefulness of the water system improvements to be provided with the proceeds of the bonds authorized hereby is estimated as a period of forty (40) years from April 6, 2015, the anticipated date of said bonds, and such period expires on April 6, 2055.

Section 2. Pursuant to said order, there shall be issued \$2,196,000 bonds of the District, designated "General Obligation Water Bonds, Series 2015A," dated as of the date of delivery thereof, and maturing in annual installments on June 1 in the amounts hereinafter described, with the final principal installment date of June 1, 2055.

Furthermore, pursuant to said order, there shall be issued \$3,937,000 bonds of the District, designated "General Obligation Water Bonds, Series 2015B," dated as of the date of delivery thereof, and maturing in annual installments on June 1 in the amounts hereinafter described, with the final principal installment date of June 1, 2055.

The bonds shall bear interest on the unpaid part of the principal until payment thereof, such interest to be payable on June 1, 2015, and annually thereafter on the first day of June of each year until paid. The interest rate shall be determined by the Secretary of the Local Government Commission on or before the date of issuance of the bonds, such rate not to exceed three and one-fourth per centum (3.25%) per annum. Upon the determination of the interest rate on the bonds, the Secretary of the Local Government Commission shall also determine a schedule for payment of the principal and interest on each series of the bonds, such schedule to result in approximately equal payments of principal and interest on the series of bonds payable on June 1 of each year through June 1, 2055 (provided that the bond may bear interest only until June 1, 2017). Upon determination of the interest rate and principal and interest schedule for the bonds, a copy of the principal and interest schedule shall be filed among the official records of the District and shall be binding upon the District to the same extent as set forth herein. The final principal schedule shall be included in the form of the bond delivered to the initial purchaser thereof as provided in the next paragraph.

The bonds shall be sold to the United States of America, acting by and through Rural Development, an agency of the United States Department of Agriculture (formerly Farmers Home Administration) ("USDA"), by private sale in accordance with Section 8 hereof. The bonds shall not be defeased without the written consent of USDA during such time as USDA shall remain the registered owner of the bonds.

The bonds shall bear interest from the interest payment date next preceding the date on which they are authenticated unless it is (a) authenticated upon an interest payment date in which event it shall bear interest from such interest payment date or (b) authenticated prior to the first interest payment date in which event it shall bear interest from its date; provided, however, that if at the time of authentication interest is in default, the bonds shall bear interest from the date to which interest has been paid.

The principal of and the interest and any redemption premium on the bonds shall be payable in any coin or currency of the United States of America which is legal tender for the payment of public and private debts on the respective dates of payment thereof.

Payment of interest on the bonds shall be made by the Bond Registrar (hereinafter defined) on each interest payment date to the person appearing on the registration books of the District hereinafter provided for as the registered owner of such bonds (or the previous bonds or bonds evidencing the same debt as that evidenced by such bonds) at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date. During the time that USDA is the registered owner of the bonds, payment of the installments of principal and interest when due and payable on the bonds shall be made at the office of such fiscal agent as USDA shall designate without presentation or surrender thereof. During any such time as an assignee thereof is the registered owner of any of the bonds, payment of the installments of principal when due and payable on such bonds shall be made by the Bond Registrar to the person appearing on the registration books of the District hereinafter provided for as the registered owner of such bonds (or the previous bonds or bonds evidencing the same debt as that evidenced by such bonds) at the close of business on the record date for such payment, which shall be the 15th day (whether or

not a business day) of the calendar month next preceding such payment date, and payments of principal and interest on such bonds shall be made by check mailed to such assignee at his address as it appears on the bond registration books of the District without the presentation or surrender thereof (except as provided below). Upon receipt of said payments of principal and interest, written acknowledgment of the receipt thereof shall be given promptly to the Bond Registrar, and the District shall be fully discharged of its obligation on this bond to the extent of the payment so made. Upon final payment, the bonds shall be surrendered to the Bond Registrar for cancellation.

Section 3. Each of the bonds may be redeemed, at the option of the District, at any time prior to the maturity of any installment of the principal thereof, either in whole or in part in the inverse order of the maturity dates of the installments of principal (or in any other manner agreed to in writing by the registered owner of such bond), from any moneys that may be made available for such purpose, at the aggregate principal amount of the installments of principal to be redeemed, together with the interest accrued thereon to the date fixed for redemption, but without any premium.

In case of a redemption of all or any part of a series of such bonds, a notice of redemption shall be sent by registered mail, mailed at least thirty (30) days prior to the date fixed for redemption, addressed (a) during the time that USDA is the owner of the bonds, to the Finance Office, Rural Development, United States Department of Agriculture, 1530 Market Street, St. Louis, Missouri, 63103, or to such other address as USDA may designate by registered or certified mail forwarded to the District at least forty (40) days prior to any redemption date, and (b) during any time as an assignee of USDA is the owner of the bonds, to the address as it appears on the registration books of the District hereinafter mentioned.

On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, each bond or part thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If moneys sufficient to pay the redemption price of the bond or part thereof to be redeemed plus accrued interest thereon to the date fixed for redemption are held at such place as USDA may designate (or, if the bonds shall have been assigned by USDA, at the office of the Bond Registrar) in trust for such purpose, interest on the bond or part thereof called for redemption shall cease to accrue, such bond or part thereof shall cease to be entitled to any benefits or security under this resolution or to be deemed outstanding, and the registered owners of such bond or part thereof shall have no rights in respect thereof except to receive payment of the redemption price thereof, plus accrued interest to the date of redemption.

In the event that an installment of principal of the bonds shall be redeemed, the Bond Registrar shall direct the registered owner thereof to evidence such redemption by appropriate notation on the schedule attached to such bond for such purpose.

Section 4. The bonds, upon surrender thereof at the principal office or corporate trust office of the Bond Registrar, together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, may, at the option of the registered owner thereof, be exchanged for bonds of the same series having maturities corresponding to the maturities of the installments of principal of such bonds of such series then unpaid issuable in fully registered form in the denomination of \$1,000 or any integral multiple thereof and bearing interest at the same rate.

The transfer of the bonds may be registered by the registered owner thereof only upon an execution of an assignment thereof duly executed by such registered owner or his attorney or legal representative. Notice of such assignment shall be given promptly by the assignor to the Bond Registrar by registered mail, such notice to be in such form as shall be satisfactory to the Bond Registrar, and upon receipt of such notice, such bonds shall be registered as to both principal and interest on such registration books in the name of the assignee named in such notice.

The transfer of any bonds issued in exchange for the bonds as provided above may be registered only upon the registration books of the District upon the surrender thereof to the Bond Registrar together with an assignment duly executed by the registered owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar. Upon any such registration of transfer, the Bond Registrar shall authenticate and deliver in exchange for such

bond a new bond or bonds of the same series, registered in the name of the transferee, of any denomination or denominations authorized by this resolution, in an aggregate principal amount equal to the unredeemed principal amount of such bond so surrendered, of the same maturity and bearing interest at the same rate.

In all cases in which the bonds shall be exchanged or the transfer of bonds shall be registered hereunder and a new bond or bonds are to be delivered in exchange therefor, the Bond Registrar shall authenticate and deliver at the earliest practicable time bonds in accordance with the provisions of this resolution. All bonds surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Bond Registrar. The Bond Registrar shall not be required to make any such exchange or registration of transfer of (a) any bond during a period beginning at the opening of business fifteen (15) days before the day of the mailing of a notice of redemption of bonds or any portion thereof and ending at the close of business on the day of such mailing or (b) any bond called for redemption in whole or in part pursuant to Section 3 of this resolution.

As to any bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any such bond and the interest on any such bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such bond, including the redemption premium, if any, and interest thereon, to the extent of the sum or sums so paid.

The District shall appoint such registrars, transfer agents, depositaries or other agents as may be necessary for the registration, registration of transfer and exchange of bonds within a reasonable time according to then current commercial standards and for the timely payment of installments of principal and interest with respect to the bonds. The Finance Officer of the District is hereby appointed the registrar, transfer agent and paying agent (the "Bond Registrar") for the bonds, subject to the right of the governing body of the District to appoint another Bond Registrar, and as such shall keep at his office the books of the District for the registration, registration of transfer, exchange and payment of the bonds as provided in this resolution.

Section 5. The bonds shall bear the manual or facsimile signatures of the Chairman of the Board and the Clerk to the Board for the District, and the official seal or a facsimile of the official seal of the District shall be impressed or imprinted, as the case may be, on the bonds.

The certificate of the Local Government Commission of North Carolina to be endorsed on the bonds shall bear the manual or facsimile signature of the Secretary of said Commission, and the certificate of authentication of the Bond Registrar to be endorsed on the bonds shall be executed as provided hereinafter.

In case any officer of the District or the Local Government Commission of North Carolina whose manual or facsimile signature shall appear on the bonds shall cease to be such officer before the delivery of such bonds, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery, and the bonds may bear the manual or facsimile signatures of such persons as at the actual time of the execution of such bonds shall be the proper officers to sign such bonds although at the date of such bonds such persons may not have been such officers.

No bond shall be valid or become obligatory for any purpose or be entitled to any benefit or security under this resolution until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed thereon.

The bonds and the endorsements thereon shall be in substantially the following form:

On the date designated for redemption, notice having been given and moneys for payment of the redemption price being held in trust for such purpose, all as provided in the Resolution, this bond or part hereof shall become and be due and payable, and the interest on this bond or part hereof so redeemed shall cease to accrue.

*Properties Committee - Review of Tax Foreclosure Process.* Commissioner Brown stated that the Committee reviewed the current foreclosure process as well as a proposed change that would adjust the process allowing the advertisement of delinquent properties for current year taxes to be moved up two months from May until March of every year. It is believed that this condensed process will allow better and timelier budget projections relating to the collection rate. The committee is agreeable to having staff use the revised schedule as it is similar to surrounding counties and is in accordance with state statutes. In adjusting the foreclosure schedule, the committee felt it was appropriate for the full Board to revisit the amount of time that goes by before a property can be sent to foreclosure. Currently properties must be two years delinquent before the foreclosure process begins. The committee recommends that this timeframe begin once the property is advertised for being delinquent on the current year taxes. This will act to lower the delinquent taxes owed to the County over time and would provide better justification for the County reselling foreclosed properties at a lower price. The committee's recommendation is to approve a change allowing the foreclosure process to begin when the property is advertised for being delinquent on its current year taxes.

Motion was made by Commissioner Deborah F. Brown to approve a change allowing the foreclosure process to begin when the property is advertised for being delinquent on its current year taxes. This motion was seconded by Commissioner Dan Brummitt.

It was noted that this would be effective for 2014 taxes.

The Board discussed this matter at length, and Commissioner Terry E. Garrison stated that he was not comfortable with this process. Commissioner Thomas S. Hester, Jr. stated that the foreclosure attorney should focus on the delinquent accounts that owe the most taxes. Porcha Brooks, Tax Administrator, stated that foreclosures are currently sent to the attorney by parcel number, not by amount owed. Deputy County Manager Jordan McMillen stated that this matter would be reviewed by the staff and a report will be provided to the Board.

Vote on the motion to approve a change allowing the foreclosure process to begin when the property is advertised for being delinquent on its current year taxes was ayes - four (4); noes - one (1), with the dissenting vote being cast by Commissioner Terry E. Garrison.

*Properties Committee - Surplus Property Disposal.* Commissioner Brown reported that the Committee entered into closed session to discuss an offer/arrangement concerning the former School Administration Building (Teacherage) located next to the courthouse. The committee members present did not express an interest in the offer submitted; however, they did request staff to take the necessary steps to have an evaluation completed on the structural soundness of the building and the feasibility of converting the building to some alternative use. The staff will report back to the committee.

Commissioner Brown also requested a breakdown of all current leases the County has and include the lease terms, insurance, etc.

County Manager's Report

*Mutual Assistance Policy Resolution.* Interim County Manager Robert M. Murphy stated that Sheriff Peter White has requested that his Mutual Assistance Policy Resolution be renewed by the Board. It was last adopted in October 2004. The resolution allows County law enforcement to enter into a valid mutual aid agreement with other law enforcement agencies.

Motion was made by Commissioner Deborah F. Brown to renew the following resolution adopting a policy for mutual assistance with other law enforcement agencies. This motion was seconded by Commissioner Dan Brummitt and unanimously approved.

Commissioner Dan Brummitt requested a listing of who this mutual aid agreement is with.

**RESOLUTION**  
**by the**  
**Vance County Board of Commissioners**  
**Adopting a Policy for Mutual Assistance with Other Law Enforcement Agencies**

**WHEREAS**, it is deemed to be in the best interests of the citizens of Vance County, North Carolina, to adopt a reasonable policy and guidelines whereby reciprocal law enforcement assistance can be both rendered to and obtained from other governmental jurisdictions;

1. The Sheriff is hereby authorized to enter into mutual assistance arrangements with other municipal and county law enforcement agencies,

5. While on duty with the requesting agency, an officer shall be subject to the lawful operational commands of his superior officers in the requesting agency, but he shall for personnel and administrative purposes, remain under the control of his own agency, including for purposes of pay. An officer shall furthermore be entitled to worker's compensation and the same benefits to the extent as though he were functioning within the normal scope of his duties;
6. The Sheriff is hereby authorized to enter into mutual assistance agreements with other law enforcement agencies in accordance with such reasonable arrangements, terms and conditions as may be agreed upon between the respective heads of the law enforcement agencies.

*Farmers Market Fee-Exemption for Farm Bureau.* Mr. Murphy noted that the Farmers Market Advisory Board met and recommended making the facility-use fee-exemption specific to Vance County Farm Bureau. Most other ag-related groups (e.g. 4-H, Beekeepers) would automatically be exempt since they are "sponsored" by Vance County Cooperative Extension.

Motion was made by Commissioner Deborah F. Brown to approve the amendment to the Vance County Regional Farmers Market Guidelines for Use of Facility as presented and allow the Vance County Farm Bureau to be exempt from the facility use fee. This motion was seconded by Commissioner Thomas S. Hester, Jr.

Commissioner Dan Brummitt stated that this was too specific and should be more inclusive of other agricultural related agencies. He suggested that this matter be referred to the Properties Committee for further review.

After discussion, Commissioner Deborah F. Brown withdrew her motion and the matter was referred to the Properties Committee for further review.

*Establishment of Board Goals.* Mr. Murphy stated that during its Planning Retreat, the Board discussed the establishment of future goals. The Commissioners submitted their top goals and a ranked listing was formulated and distributed to the Board. This matter was delayed until a later date due to time constraints this evening.
