Public Notice

The Vance Board of Commissioners has scheduled a public hearing for Monday, November 4, 2024 at 6:00 p.m. or shortly thereafter in the Commissioners' Meeting Room, County Administration Building, 122 Young Street, Henderson, NC. The public hearing is to receive comments regarding the naming of the road shown as "Proposed 30' Private Right of Way" on Plat Book "V, Page 430, Vance County Registry, and located over and upon Vance County Tax Parcels 0365 02003, 0365 020043, 0365 02043, 0365 02044, 0365 02045, 0365 02046. Anyone interested in this matter is invited to attend and present their views and opinions.

This notice was published on October 22 and 29, 2024.

VANCE COUNTY
PETITION FOR NEW ROAD NAME
The regulations for street naming are as follows:

- a) A road name shall be assigned to any road, whether public or private, which provides vehicular access to two (2) or more parcels or two (2) or more residents.
- b) Any proposed road which is in alignment with an existing road shall be given the same name as the existing road.
- c) New road names shall not duplicate or closely approximate phonetically the names of existing subdivisions, apartment complexes, mobile home parks, roads, lanes, drives or street name, (whether said name is located on a City of Henderson or NCDOT maintained road or a non-COH or NCDOT maintained (private) or public road, lane, drive or street) within the County or within cities of the County or within one mile of an adjoining County, to avoid confusion in identification. Road names shall not include: Directional names as any part of name, abbreviations, road name suffixes, any punctuation or symbols, alternative spelling or homonyms (dear/deer), state or federal highway numbers. Names that are numbers must be express spelled out and not numeric (Second Lane is acceptable, not 2nd Lane). Names must be simple and use the most common spelling.
- d) New street names shall be subject to approval by the County Planning Board. Approval of street names and addressing will occur with Preliminary Plat approval.
- e) Due to the size of street name signs and to equipment used by the postal service, the length of street names may not exceed 15 characters (not including the "suffix").
- f) The naming of an existing driveway or access point **will** result in a change of address for each individual whose property or residence is accessed off of that same driveway or access point being petitioned by this form.
- g) The applicant(s) for the new roadway name(s) shall be responsible for the sign cost as established by the County Fee Schedule and are not refundable. Roadway signs are required at each intersection with another named roadway and shall be placed in accordance with the latest edition of the Manual of Uniform Traffic Control Devices for Streets and Highways.

Please list your three (3) choices for your road name in the spaces provided below. Only **Landowners/Homeowners** are allowed to petition for new road names. We require that you use **Lane** after the name and if the new road "loops" from one point of the main accessed road to come out or end back on that same main road, the new name is required to include **Loop** in its name.

The County shall be responsible for the acquisition and installation of all street naming signs. **PLEASE NOTE: Road signs are ordered on an as needed basis, therefore the process of installing a new sign may take as long as 90 days.** The participating individuals listed in this Road Name Petition, or the Developer, shall be responsible for the costs of signs and the costs for installing the signs. The prices for the Road Sign(s) and pole(s) are listed in the Vance County Planning & Development - Fee Schedule, Planning Fees – Street Naming Sign. If not the Developer, there shall one Participating Property Owner from this petition that will have the responsibility to coordinate installation with the County. To be clear whom that person shall be, please list here: _____ . Location(s) for installation of new Road Sign shall be determined by the Vance County Road Sign Installer in accordance underground wiring and/or cables and also with the construction schedule of the road.

Once installed, the road sign will greatly assist Emergency Personnel in locating your residence. If you have questions concerning road signs, please contact Vance County Addressing Department at (252) 438-8264. If you have questions concerning road name approval, please contact Vance County Code Enforcement at (252) 738-2080.

This petition has been reviewed and all property owners involved in the renaming or naming of a road required have been received and therefore the process to name and the re-addressing of homes involved may proceed

Project- Vance County Contract 1 Waterline
Subject: Unit Pricing Valid for limited time

Logan,

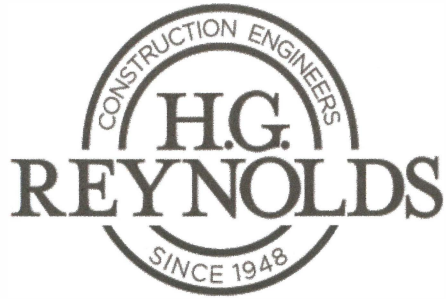

This letter is to confirm that H.G. Reynolds can hold the original unit pricing from the bid originally submitted to you for the Vance County Contract 1 Waterline project. This is contingent upon being able to write a sales order for materials within the next 30-45 days at maximum. H.G. Reynolds also will need to negotiate the original contract time duration on the project and will need to negotiate the starting time of this project. We sincerely hope that this letter will suffice as honoring our original bid pricing, and look forward to hopefully working with you, and Vance County on this project.

If you have any questions or concerns, please feel free to contact us.

Best Regards,

Matthew Beasley

Subject: VCWD, PH 1B – Contract 1 – Holding Pricing

Logan,

This letter is to confirm that H.G. Reynolds can hold the original unit pricing from the bid originally submitted to you for the Vance County Contract 1 Waterline project. This is contingent upon being able to write a sales order for materials within the time frame you outlined in the email dated 7/8/24, which said the intent was to have executed contracts to us to order materials by mid-September to early August of 2024. H.G. Reynolds also will need to negotiate the original contract time duration on the project and will need to negotiate the starting time of this project. Also, anything out of HGR's control like natural disasters, or market disruption we cannot guarantee pricing on materials. We sincerely hope that this letter will suffice as honoring our original bid pricing, and look forward to hopefully working with you, and Vance County on this project.

If you have any questions or concerns, please feel free to contact us.

RE: Vance County Water District, Phase 1B
Contract 1 – Water Mains
Contract Time Duration

Dear Mr. Beasley,

Please let this letter serve as the requested confirmation of the intent to execute a time extension-only change order for the negotiated 180 days immediately after the execution of the agreement between HG Reynolds and Vance County Water District.

During the post-bid negotiations, H.G. Reynolds agreed to hold their bid pricing until the funding gap was bridged by the County. This willingness to hold bid prices was contingent upon the extension of the contract duration by a minimum of 180 days. LKC Engineering and USDA agreed, to ensure the progression of this project, that executing a time extension-only change order is the easiest option for all parties.

Due to the administrative sequence in which contract amendments must occur, the change order will be executed after the existing agreement has been signed. We are aware that the existing agreement lists 360 days as the contract duration to substantial completion, but this will be rectified shortly via Change Order #1. For the change order to be approved, it must go before the Vance County Water District Board of Commissioners. LKC has discussed this with the Vance County administration, and they believe the board of commissioners will approve the change order. The next board meeting for Vance County is on November 4th, and the change order is already tentatively on the agenda, pending H.G. Reynolds' acceptance of this proposed timeline of events.

Please refer to **Table 1** on the following page for an approximate anticipated project timeline, based on the execution/approval of the negotiated time extension.

Table 1. Anticipated VCWD, Phase 1B Contract Duration

Milestone	Date
Execution of Contract Documents	ASAP
Submittal Review and Approval	ASAP
VCWD Approval of Time Extension CO#1	November 04, 2024
USDA Concurrence of CO#1	November 15, 2024

Water Committee Report

Phase 1B. The water committee (Brummitt, Hester, and Feimster-absent) met Friday, November 1, 2024 and staff provided an update on current debt and revenues. *For your information.*

Sign-Up Fee. The recommended sign-up fee will be \$125 during the sign-up period. *For your information.*

Marketing. The marketing strategy for Phase 1B will be the same as previous phases. We will use social media, the county website, Envirolink, and schedule town halls to educate and increase sign-ups. *For your information.*

Phase 1B. The pre-construction meeting is scheduled for November 6, 2024 with a walk through with USDA at the Kittrell tower immediately after. We will coordinate a groundbreaking ceremony before construction begins in early January. *For your information.*

Lead Service Inventory. The AIA (asset inventory assessment) grant has assisted with identifying 262 samples that need to be identified as lead or non-lead material. Letters have gone out to all affected water customers. *For your information.*

SCADA Systems. The New Hope tower SCADA system is having some major issues causing Envirolink to control the tank filling by hand daily and we are unable to find parts or assistance from the current company. The cost for the New Hope SCADA is \$16,652.84. The cost to do both New Hope and Warrenton Road towers is \$28,262.36. With both systems upgraded, all of our systems will be on the same system which can be monitored by county staff and Envirolink staff via computer or phone via an app. *Recommendation: Approve the upgrade to the Scada systems to Missions System through LKC Services on the New Hope water tower and the Warrenton Road tower for the total cost of \$28,262.36*

Vance County
Finance Director's Report to the Board
November 4, 2024

A. Education Lottery Fund Applications. A joint application filed by the County Commissioners and the Board of Education must be submitted to the State in order to draw down available North Carolina Education Lottery funds from the Public School Building Capital Fund. The County has budgeted to use lottery funds to pay the debt service for the 2010 QSCB and 2013 QZAB projects. The Board of Education approved the applications at its October 14, 2024 meeting for \$384,775.96. *Recommendation: Approve the applications to draw down lottery funds to be used for debt service payments on existing school facilities debt.*

B. Budget Amendment #12. In July 2024, the North Carolina Department of Health and Human Services (NCDHHS) Child Welfare Division found several deficiencies in the services being provided by the Department of Social Services. These deficiencies were discovered through a recent fatality review and onsite record reviews. Immediate measures were taken to begin addressing practice deficiencies and a formal Corrective Action Plan (CAP) was issued to the department in September 2024. After corrective practice measures began in July 2024 to prevent further abuse, neglect and/or dependency of children, the number of foster children increased from 67 to 95 by the end of September 2024. The current budget amount for foster care was established by prior agency administration based on the prior year number of children in care and an increase in standard board rates. Additionally, it was only budgeted for one child to be covered under the residential board rate of \$4,692. Currently, the agency has seven in this level of placement. *Recommendation: Approve additional \$125,000 to cover the costs of the county's share of the foster board rates for the 2024-25 fiscal year.*

- A. **America 250th Grant.** In 2026, the United States will be celebrating the 250th anniversary of the signing of the Declaration of Independence. America 250 NC, a program of the NC Department of Natural and Cultural Resources, is partnering with local governments and nonprofits throughout North Carolina to mark this anniversary. Many NC counties formed official committees dedicated to planning and organizing events, projects, and initiatives at the county level. Vance County has not yet formed a committee. The committee vacancy will be advertised, members will be appointed by the board of county commissioners, and staff will apply for the no match grant to fund proposed projects. *For your information.*

Cooperative Extension – October 2024

Agriculture/Horticulture/Small Farms/Farmers Market

On September 30th Wayne Rowland gave a presentation on growing a Fall Vegetable Garden at the Vance County Regional Market. Whether the participants were seasoned gardeners or just starting out, the event was perfect for anyone looking to learn more about planting and caring for fall crops.

The past month has been a whirlwind of learning, planning, and getting our hands dirty.

The month of October started with a training session designed for the Extension Master Gardener program. Students learned about a topic near and dear to any gardener—weeds. The course covered why weeds are important, how to classify and identify them, and more importantly, how to get rid of them in a responsible manner. If you're interested in learning more about the Extension Master Gardener program, or just want to hear more about killing weeds, you can find the Vance & Warren County Master Gardeners at the Vance County Regional Farmers Market every second and fourth Saturday of the month.

On October 21st Wayne Rowland along with four of our local farmers attended NC A&T State University's Ginger Production Field Day in Greensboro. They learned how to propagate ginger plants and how to grow ginger in high tunnels and outside ginger productions.

The Master Gardeners were also on hand to help host Story Time at the Market in conjunction with Perry Memorial Library on October 26th. Young children enjoyed a special fall reading about pumpkins, learned about healthy eating, and hunted for pumpkins in the garden to decorate and to take home. If you'd like to know more about events like this, reach out to us to be put on our mailing list and follow us on Facebook.

When we weren't busy hosting educational events, we actually had a chance to do some gardening. All of the credit really goes to Mrs. Bonita Hawkins (**Housing Authority Department Head**) who oversaw the construction of a new community garden at Lincoln Heights before rolling up her sleeves and getting her hands dirty while planting lettuce, broccoli, and collards. Recognizing the potential value to her community, she's already started making plans for gardening and healthy eating educational workshops in the spring!

Of course, she's not alone in planning for the year ahead. Our agents have already begun making calendars for 2025 that include webinars, farm tours, and a variety of other ways to make sure Vance County residents have everything they need to succeed from small container gardens to large scale agriculture. If there's a topic you'd like to know more about, be sure to contact us and let us know how we can best serve you!

4-H Youth Development

This month, Mr. Sharpe met with local high-school administrators to explore potential collaborative efforts for a new technology-driven curriculum utilizing Apple Education tools. This initiative aims to provide courses for students of all ages, covering a variety of

skills such as drawing, video editing, production, and presentations—all through the use of iPads.

Additionally, we are happy to announce that the Dinah Gore Program, a cooking competition that invites students to showcase their culinary talents and presentation skills has started. We are currently seeking participants aged 14-18 to join us.

On Saturday, October 28th the 4 County (Franklin, Granville, Vance, and Warren) 4-H Poultry Show & Sale was held at the Vance County Regional Farmers Market starting at 3:45 p.m.

Lastly, recruitment has begun for the Game of Drones project, organized by A&T. We are looking for two teams— middle school and high school. Students with an interest in computer science and coding are strongly encouraged to apply.

If you are interested in applying for one of our programs or have any other inquiries, please contact Mr. Sharpe at mosharpe@ncsu.edu or by phone at 252-438-1888.

Coming Events

On Monday, November 4, 2024, at 6:30 PM Wayne Rowland will be presenting a workshop all about the fascinating world of earthworms. This free one-hour workshop on vermiculture and vermicomposting will include tips to include soil regeneration and the sustainable use of earth resources.

There will be plenty of theory on the benefits of vermicompost and everything someone would need to know about the worms and the system to set up a successful wormery in their garden.

Wayne will guide them through the process, answering any questions participants may have along the way. This event is perfect for beginners looking to start their own vermicomposting journey or for those wanting to expand their knowledge on the topic.

On November 12 at 12 p.m. The Henderson Vance County Chamber of Commerce is providing another “Women in Business” Session. Dr. Wykia Macon will be one of six panel of speakers who will be sharing their experiences and information related to agriculture. This will take place at the Vance County Farmers Market. There will also be a fun hands-on activity to get participants involved. Cost to join in on the fun is \$20 and lunch is provided. More information is listed on the Henderson Vance Chamber’s website.

On November 12th, the Vance County Extension and Community Association will be having their 2024 Fall Banquet at the Vance County Regional Farmers Market. Geri Bushel, NC State University will be the guest speaker for the event. This year’s theme will be “Bloom Where You Are Planted.”

On November 16th the Vance County Regional Farmers will be having their annual Handcrafted Holiday Market from 8:00 a.m. until 2:00 p.m. There will be unique gifts, glassware, soaps & candles, art work, wood crafts, wreaths, ornaments, baked goods, local honey to name a few of the items that will be for sale.

On November 19th at 6pm at the Vance County Cooperative Extension Office (305 Young Street, Henderson, NC) we will be having a Sourdough Bread Making Class. It's \$10 per person and the class is limited to 10 participants. It's already filling up and may have to put together another one. Participants are asked to bring a large bowl to take home their dough for baking.

2024 OCTOBER MONTHLY REPORT

Visits/Calls-	184	Male-	143	Meetings/Events-	7
Emails-	81	Female-	84	Out of County-	31
Intent to File-	0	Compensation/Pension-	82	Service Connected	11
Claims Filed-	12	Other-	150	(received 10% - 100% this month)	

Please note: Veterans and their surviving families receiving compensation at the highest rate (100%) are added to the monthly reports.

10/07/24- In a critical move to safeguard veterans' benefits, the Senate has passed a \$3 billion emergency funding package for the Department of Veterans Affairs (VA). This decision follows the House's approval of the same measure earlier in the week. The legislation is now headed to President Joe Biden's desk, where it is expected to be signed into law before the end of next week.

VA officials had previously warned that there could be delays in distributing benefits starting in October without immediate financial relief. The funding stopgap was necessary to prevent potential disruptions in payments for education support, disability benefits and other essential services.

10/09/24- A veteran's widow was awarded a monthly tax-free VA compensation payment of \$1,955.21 starting November 2024 and received a retroactive payment of \$6,392.25.

10/16/24- Veterans who were exposed to harmful chemicals during their service are waiting an average of over 30 years to get full access to benefits tied to those injuries, according to a new report released by veteran advocates on Wednesday.

Organizations like Disabled American Veterans (DAV) and the Military Officers Association of America (MOAA) are calling the current system for dealing with toxic exposure "deeply flawed." They argue that the findings of the study make it clear that it's time for a complete overhaul of how federal agencies identify, research, and handle toxic hazards impacting both veterans and active service members.

10/25/24- We will be honoring all Vance County Veterans the entire month of November with gift bags.

Yes _____ No If yes, please explain disposition: _____

Is there any conflict of interest or other matter that would create problems or prevent you from fairly and impartially discharging your duties as an appointee of the Board of Commissioners? Yes _____ No If yes, please explain: _____

I understand that any situation which may arise to cause conflict of interest may create serious ethical or legal implications if appropriate discretion is not exercised or responsible action is not taken.

I understand this application is public record and I certify that the facts contained in this application are true and correct to the best of my knowledge. I authorize and consent to background checks and to the investigation and verification of all statements contained herein as deemed appropriate. I further authorize all information concerning my qualifications to be investigated and release all parties from all liability for any damages that may result from this investigation. I understand and agree that any misstatement may be cause for my removal from any Board/Commission/Committee. I understand regular attendance to any Board/Commission/Committee is important and, accordingly, I further understand that if my attendance is less than the standards established for any such body that this is cause for removal. Lacking any written standards for attendance by any Board/Commission/Committee it is expected that I will attend at least 75% of all meetings during any one calendar year to maintain my seat on any Board/Commission/Committee to which I may be appointed. This form will remain on file in the Office of the Clerk and requests for updates will be sought prior to any consideration for reappointment (or future appointment) to any Board/Commission/Committee.
