*County Manager's  
Report*

**Vance County**  
**County Manager's Report to the Board**  
**January 6, 2025**

- A. Fire Marshal's Office Budget.** At the August 2024 regular meeting, the board approved the creation of a separate Fire Marshal position based off the fire study recommendations. The fire study highlighted critical areas where enhanced fire safety measures and oversight are essential to protect our residents, businesses, and infrastructure. To improve fire code enforcement, increase fire prevention education, enhance investigation capabilities, and streamline fire safety planning, staff is requesting a proposed budget of \$179,540 for the remainder of FY25. The proposed budget is attached for your review. *Recommendation: Approve Budget Amendment #18 for \$179,540 from fund balance to create the budget for the Fire Marshal's Office.*
- B. Personnel Policy Amendments.** G.S. 143-805 requires public agencies to adopt a policy governing the use of its network, as well as the use of devices owned, leased, maintained, or otherwise controlled by that public agency, no later than January 1, 2025 to prohibit allowing pornography to be viewed on their networks or devices. All of these policies must delineate the disciplinary actions that will be taken in response to a policy violation. Staff has worked with the County Attorney to update our current technology acceptable use policy. *Recommendation: Consider and adopt the amended technology acceptable use policy which now includes the mandated additions per G.S. 143-805 with an effective date of 1/1/2025.*
- EEOC's Pregnant Workers Fairness Act Policy.** As required by the Federal EEOC's Pregnant Workers Fairness Act, Vance County will provide reasonable accommodations to qualified employees and job applicants with known limitations due to pregnancy, childbirth, and related medical conditions, unless it would pose an undue hardship on Vance County's operations. This policy applies to applicants and all employees, regardless of employment status, who are pregnant, having recently given birth, or have related medical conditions covered under the Pregnant Workers Fairness Act. *Recommendation: Consider and adopt the proposed Vance County Pregnant Workers Fairness Act policy with an effective date of 1/1/2025.*
- C. Jail Inspection Reports.** The State conducted its periodic jail inspections in 2023 and 2024. These reports were not brought to the BoCC due to staff turnover in both the Detention Center as well as the County Manager's office. As you are aware, the Sheriff is responsible for overseeing the jail, although it is necessary for the commissioners to receive the jail inspection report and be aware of potential budget items. County staff plans to have conversations with the BoCC during your annual retreat to discuss a plan moving forward for the detention center. *Recommendation: Act to receive the report as information.*

**Title:** EEOC's Pregnant Workers Fairness Act Policy

**Effective:** January 1, 2025

As required by the Federal EEOC's Pregnant Workers Fairness Act, Vance County will provide reasonable accommodations to qualified employees and job applicants with known limitations due to pregnancy, childbirth, and related medical conditions, unless it would pose an undue hardship on Vance County's operations.

Medical conditions include conditions from current pregnancy and childbirth as well as past and future pregnancies, including but not limited to, infertility and fertility treatment, contraception, miscarriage, morning sickness, issues involving breastfeeding and lactation, and post-partum depression.

This policy applies to applicants and all employees, regardless of employment status, who are pregnant, having recently given birth, or have related medical conditions covered under the Pregnant Workers Fairness Act.

#### Definitions:

**Pregnancy:** The condition of being pregnant, childbirth, or other related medical conditions.

**Qualified Employee:** One who, with or without reasonable accommodation, can perform the essential functions of the employment position.

**Reasonable Accommodation:** Modifications or adjustments to job duties, schedules, work environments, or processes that enable pregnant employees and applicants to perform their job functions without causing undue hardship to the employer. Suspending an essential job function until the employee is able to resume its performance is a reasonable accommodation unless it causes an undue hardship.

**Undue Hardship:** Significant difficulty or expense for the county considering the following factors:

- the accommodation's nature and net cost;
- the overall financial resources of the specific facility where the employee works;
- the county's overall financial resources and overall size;
- the type of operation of the county, including the composition, structure, and functions of its workforce;
- the accommodation's impact on the county's operations, including the impact on the ability of other employees to perform their duties and the impact on the employer's ability to conduct its business.
- if suspending an essential function is the only possible accommodation, it must be provided to the employee unless the following factors show it to be an undue hardship:
  - o the length of time that the employee will be unable to perform the essential function;
  - o whether other work exists for the employee to do;
  - o the nature of the essential function, including how frequently it is performed;

- whether essential functions have been temporarily suspended for other employees in similar positions;
- whether there are other employees to perform the essential function or whether temporary employees or third parties can be hired; and
- whether the essential function can be postponed or remain unperformed for any length of time.

Interactive Process: The collaborative dialogue between the employer and the applicable qualified employee or applicant to identify and implement appropriate reasonable accommodations.

#### Policy:

It is the applicant's or qualified employee's responsibility to notify the county of any pregnancy-related limitation and the need for an accommodation. A qualified employee or applicant may request an accommodation due to pregnancy, childbirth, or a related medical condition by submitting the request orally or in writing to the Human Resources Department. The accommodation request should include an explanation of the pregnancy-related limitations, the accommodations needed, and any alternative accommodation(s) that might be reasonable.

When it is not obvious to Human Resources that an applicant or qualified employee's limitation arises out of pregnancy, childbirth, or a related medical condition, Human Resources can reasonably request confirmation of the physical and mental condition and a description of the workplace adjustment that is needed from a health care provider.

Upon receipt of a request for an accommodation, Human Resources will engage in a timely, good faith interactive process with the employee or applicant to discuss the request and determine if an accommodation is reasonable and can be provided without undue hardship to the county.

While the reasonableness of each accommodation request will be individually assessed, possible accommodations include, but are not limited to, allowing the individual to:

- Sit while working
- Drink water during the workday
- Receive closer parking if available
- Have flexible hours
- Receive appropriately sized uniforms and safety apparel
- Receive additional break time to use the bathroom, eat, and rest
- Take time off to recover from childbirth
- Be excused from strenuous activities and/or activities that involve exposure to compounds deemed unsafe during pregnancy
- Modifying the job application process to enable qualified applicants to be considered
- Suspending an essential job function until the employee is able to resume its performances

A qualified employee may request paid or unpaid leave as a reasonable accommodation under this policy; however, Vance County will not require a qualified employee to take time off if another reasonable accommodation can be provided that will allow the qualified employee to continue to work. Leave can only qualify as an accommodation if it is temporary and will allow a qualified employee to return to her original job or equivalent position. During leave taken as an accommodation, a qualified employee accrues seniority and benefits the same as if they were actively working. Qualified

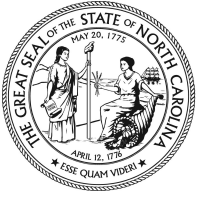

employees will be treated the same way as other employees on a leave of absence are treated. FMLA may also apply if the employee is eligible for FMLA leave.

Requests for a reasonable accommodation shall be processed within thirty (30) business days from the date the request is made. Human Resources will process requests and provide accommodations, where appropriate, in as short of a period of time as possible. It is recommended that the employee work closely with their healthcare provider to expedite their response. Human Resources may extend the deadline as necessary due to unforeseen circumstances. Situations may warrant provision of a temporary or trial accommodation.

Medical information related to pregnancy, childbirth, or associated medical conditions obtained from an employee will be treated as a confidential medical record and kept in separate files apart from the regular personnel file.

Vance County prohibits any retaliation, harassment, or adverse action due to an individual's request for an accommodation under this policy or for reporting or participating in an investigation of unlawful discrimination under this policy. This includes discrimination in hiring, compensation, job assignments, promotions, firing, and more.

- K. That James Montrell Kearney was arrested for Felony Flee and Elude in violation of NCGS § 20-141.5, which provides upon conviction the vehicle may be forfeited to the Vance County Board of Education only after a judicial proceeding.

- L. That the 2007 Cadillac was placed in evidence with the Vance County Sheriff's Office pursuant to NCGS § 15-11.1 and should have been safely kept until such time as 1) the district attorney determines the property is no longer useful or necessary and directs the Sheriff to return the property to the owner or 2) the Court orders a disposition of the property.
- M. That in the alternative the 2007 Cadillac was seized by the Vance County Sheriff's Office pursuant to the provisions of NCGS § 20-141.5 to be held in trust by the Vance County Sheriff's Office until such time as a judicial official orders the disposition of the property.
- N. That the vehicle owner Wyatt Jones was aware that her nephew Kavon Fogg was in possession of the 2007 Cadillac.
- O. That the vehicle owner Wyatt Jones was not aware that James Montrell Kearney was operating the 2007 Cadillac.
- P. That on April 27, 2020, Wyatt Jones was interviewed by "Chief" whom upon information and belief was Chief Deputy Steve Staton at the Vance County Sheriff's Office.
- Q. That Vance County Sheriff's Office Chief Deputy Steve Staton retired from the N.C. State Bureau of Investigation and at the time was a task force officer with Homeland Security Investigations, a federal agency.

- R. That Chief Deputy Steve Staton and persons under his supervision would have been familiar with the statutory requirements for vehicle seizures including mandatory procedures and Administrative Office of the Courts forms to be filled out when a car was seized for Felony Flee and Elude in violation of NCGS 20-141.5.
- S. That several Felony Flee and Elude cases were being investigated by the Vance County Sheriff's Office at that time in which the proper AOC forms had been completed and filed with the Clerk of Superior Court.
- T. That on or about April 27, 2020, Chief Deputy Steve Staton consulted with Special Agent Jeffrey White with Homeland Security Investigations regarding the forfeiture of the 2007 Cadillac to the Vance County Sheriff's Office through the Federal Asset Forfeiture program.
- U. That Chief Deputy Steve Staton was personally familiar with the rules and regulations regarding the Federal Asset Forfeiture program.
- V. That on April 28, 2020, Vance County Sheriff's Office Investigator Mitch Pittman and Vance County Sheriff's Office Investigator Purav Patel Pittman traveled to Wyatta Jones' place of work, Maria Parham Hospital, and presented a form used by Homeland Security Investigations, a Property Abandonment Form.

- W. That neither Deputy Purav Patel nor his supervisor Deputy Mitch Pittman were task force officers with Homeland Security or any other federal agency.
- X. That Wyattta Jones was told by a deputy that if she did not sign over the car that she would have to go to federal court or that she might go to prison. These representations were not true, coercive in nature, and Wyattta Jones involuntarily signed the federal Property Abandonment Form.
- Y. A copy of the above referenced federal Property Abandonment Form, DHS Form 4607, is attached hereto as "Exhibit B" and is incorporated herein by reference as if fully set forth herein.
- Z. That on April 29, 2020, an employee with Clary's Used Cars of Broadnax VA sent a fax to Lt. Lloyd Watkins; Re: Documents in reference to 2007 Cadillac STS. The fax included vehicle ownership transfer documents relating to Clary's original purchase of the 2007 Cadillac.
- AA. A copy of the above referenced fax coversheet is attached hereto as "Exhibit C" and is incorporated herein by reference as if fully set forth herein.
- BB. That Special Agent White forwarded an email from Homeland Security Investigations Asset Forfeiture Specialist Lyle Bowman to "Stephen Staton" at his county

email address on Wednesday April 29, 2020, at 1:15 p.m. The email from Bowman stated, "Sorry Jeff, the vehicles is a no go." SA White's forwarded email said, "Sorry Steve." The subject of the email was "FW: 2007 Cadillac STS."

- CC. A copy of the above referenced email is attached hereto as "Exhibit D" and is incorporated herein by reference as if fully set forth herein.
- DD. That Chief Deputy Steve Staton called Sheriff Curtis Brame to update the Sheriff on the status of the vehicle. Sheriff Brame tells Chief Deputy Staton, "If the county attorney is good with it, run with it."
- EE. That Vance County Sheriff's Office Deputy Mitch Pittman with Vance County Sheriff's Office Deputy Purav Patel travel to Clary's Used Cars in Broadnax, Virginia unannounced to speak with the owner, James Clary.
- FF. That after the two deputies arrive, Deputy Pittman shows his badge to James Clary.
- GG. That Deputy Pittman further stated the car could be returned to Clary's Used Cars if the \$1100.00 towing and storage bill was paid; however, if Clary paid this fee and sought the return of the 2007 Cadillac, then Deputy Pittman would report Clary's Used Cars to licensing and law enforcement authorities in Richmond VA.

HH. That Defendant Pittman implied to the owner that if he did not want him to report him to licensing and law enforcement authorities in Richmond VA, he will give the Vance County Sheriff's Office the 2007 Cadillac. The implication by Defendant Pittman was predicated on the manner in which Clary's Used Cars sold the 2007 Cadillac to Wyatta Jones when she was not present.

II. That after Investigator Pittman and Deputy Patel return from Broadnax VA Chief Deputy Steve Staton was briefed on the above.

JJ. That under the fear of being reported to licensing and law enforcement authorities in Richmond, VA, James Clary directed his assistant to draw a new Bill of Sale in favor of the Vance County Sheriff's Office showing a purchase price of \$320.00.

KK. That on or about May 13, 2020 James Clary's assistant faxed a copy of the new bill of sale to the Vance County Sheriff's Office.

LL. That the original \$320.00 balance due Clary's Used Cars was never paid.

MM. A copy of the above referenced second "Bill of Sale" is attached hereto as "Exhibit E" and is incorporated herein by reference as if fully set forth herein.

- NN. That the Vance County Sheriff's Office presented a title application to the North Carolina Department of Motor Vehicles on May 13, 2024, with the second Bill of Sale, "Exhibit F"
- OO. A copy of the above referenced title application document is attached hereto as "Exhibit F" and is incorporated herein by reference as if fully set forth herein.
- PP. That as a part of the application for the 2007 Cadillac to be titled in the name of the Vance County Sheriff's Office, Sheriff Curtis Brame applied for a confidential license tag, presumably so the vehicle could be used in an undercover capacity by Deputy Purav Patel and Deputy Mitch Pittman who were both assigned to the VCSO Narcotics Division and under the direct supervision of Chief Deputy Steve Staton.
- QQ. A copy of the above referenced letter from Sheriff Brame is attached hereto as "Exhibit G" and is incorporated herein by reference as if fully set forth herein.
- RR. That on May 27, 2020 Lt. N.R. Shearin sent an email to Page Gray with the County of Vance titled, "insurance for the Cadillac we seized."

- SS. A copy of the above referenced email is attached hereto as "Exhibit H" and is incorporated herein by reference as if fully set forth herein.
- TT. That on May 28, 2020 Lt N.R. Shearin completed a Vance County Check Request form citing the check was needed for "registration plate for u-c vehicle"
- UU. A copy of the above referenced form is attached hereto as "Exhibit I" and is incorporated herein by reference as if fully set forth herein.
- VV. That "u-c" is commonly used as an abbreviation for under cover by law enforcement officers.
- WW. That on May 28, 2020 the ownership of the 2007 Cadillac was transferred to the County of Vance and the Vance County Sheriff's Office while the vehicle was being held in evidence by the Vance County Sheriff's Office in violation of Sheriff Brame's duties pursuant to NCGS § 15-11.1.
- XX. That Sheriff Brame failed to "safely keep the property under the direction of the court or magistrate as long as necessary to assure that the property will be produced at and may be used as evidence in any trial."
- YY. That in the alternative that on May 28, 2020 the ownership of the 2007 Cadillac was transferred to the County of Vance and the Vance County Sheriff's Office

"the vehicle shall be held by the Sheriff pending the trial of the person or persons operating such motor vehicle and charged with a felony offense under this section."

22. That Sheriff Brame failed to hold the 2007 Cadillac in trust until a judicial official could order the disposition of the property.

WHEREFORE the State moves this Honorable Court pursuant to NCGS §15-11.1 or in the alternative NCGS § 20-141.5 and the Court's inherent authority to 1) appoint a discreet person or attorney to serve as the Guardian ad Litem for the known or unknown heirs of Karon Fogg to accept service and answer on their behalf, 2) that after notice to all parties and after conducting an evidentiary hearing order the 2007 White Cadillac returned to the lawful owner, 3) for such other and further relief as the Court may deem just and proper.

No. COA23-674

Filed 31 December 2024

Vance County, Nos. 20 CRS 726-27; 21 CRS 276-77

STATE OF NORTH CAROLINA

v.

MITCH TAYBRON PITTMAN and PURAV PATEL

Appeal by defendants from judgments entered 3 December 2021 by Judge Cindy King Sturges in Vance County Superior Court. Heard in the Court of Appeals 8 October 2024.

*Attorney General Joshua H. Stein, by Special Deputy Attorney Heidi M. Williams, for the State.*

*Office of the Appellate Defender, by Appellate Defender Glenn Gerding and Assistant Appellate Defender James R. Grant, for defendant-appellant Mitch Taybron Pittman.*

*Mark L. Hayes for defendant-appellant Purav Patel.*

PER CURIAM.

On 13 June 2022, we granted Defendants' petition for writ of certiorari to review the trial court's interlocutory orders entered in each of Defendants' cases instructing Defendants' dual trial counsel to withdraw from representation of both

Defendants. In this combined appeal, Defendants argue that the trial court's orders violate their constitutional rights to be represented by the counsel of their choice.

I. Background

Defendants Mitch Taybron Pittman and Purav Patel are both officers and employees of Vance County Sheriff's Office ("VCSO").

In October 2020, Defendant Pittman was indicted on charges of extortion and obstruction of justice relating to the means by which VCSO obtained title to two vehicles that had been used in various crimes and were then seized by VCSO.

Defendant Pittman retained Hairston Lane, PA, by James Hairston, Jr., as trial counsel. At a hearing on 31 March 2021, Defendant Pittman was represented in court by Attorney Hairston. Attorney Hairston's associate, Moses V. Brown, "attended the same hearing and subsequent hearings" in Defendant Pittman's matter "and conferred with Attorney Hairston during the hearing[.]" leading the State to believe that Attorney Brown participated in Defendant Pittman's representation.

On 14 April 2021, *both* Defendants were indicted as co-conspirators on charges related to one of the vehicles which was the subject of: (1) embezzlement by employee of government, (2) conspiracy to embezzle by employee of government, (3) motor vehicle title fraud, (4) conspiracy to commit motor vehicle title fraud, (5) accessing government computer to defraud, (6) conspiracy to access government computer to defraud, (7) extortion, and (8) conspiracy to obstruct justice, all relating to a 2007 White Cadillac STS, based on allegations that Defendants acted as co-conspirators.

STATE V. PITTMAN

*Opinion of the Court*

Defendant Patel initially retained separate trial counsel. However, on or about 25 August 2021, Attorney Brown appeared on behalf of both Defendants. During this hearing, the State did not object to dual representation, but noted that the trial court would likely require Defendants to sign a waiver “of any conflict that this firm may have in representing both of them[.]”

Two months later, on 29 October 2021, the State filed a motion in limine to determine whether a non-waivable conflict of interest existed between Defendants with both being represented by attorneys from the same law firm; and, if a waivable conflict existed, but no non-waivable conflict existed, whether Defendants had adequately waived the conflict. In this motion, the State alleged, *inter alia*:

13. That Defendant Pittman and Defendant Patel are indicted for conspiracy charges wherein they are co-defendants.

14. That the State alleges that Defendant Pittman and [Defendant] Patel were both present and could observe and witness the others’ actions at all relevant times.

15. That Defendant Patel has given an interview that implicates Defendant Pittman in the crimes charge[d] and the State of North Carolina characterizes this statement as inculpatory.

16. That Defendant Patel has given testimony under Oath in a pre-trial hearing in this matter.

17. That at this point neither Defendant Pittman nor Defendant Patel have filed a sworn and subscribed waiver of conflict in this matter nor has either defendant been examined under oath as to the waiver of this conflict.

On 3 December 2021, after a hearing on the matter, the trial court entered orders in each of Defendants' matters, requiring Hairston Lane, PA, by Attorney Hairston and Attorney Brown to withdraw from both Defendants' matters and prohibiting any attorney from Hairston Lane from representing either Defendant in the future. Defendants gave notice of appeal, and we granted *certiorari* to review this matter.

## II. Analysis

“On a motion for disqualification, the findings of the trial court are binding on appeal if supported by any competent evidence, and the court’s ruling may be disturbed only where there is a manifest abuse of discretion, or if the ruling is based on an error of law.” *State v. Rogers*, 219 N.C. App. 296, 299 (2012).

An accused’s right to counsel in a criminal prosecution is guaranteed by the Sixth Amendment of the United States Constitution and is applicable to the states through the Fourteenth Amendment, Sections 19 and 23 of the North Carolina Constitution. This right includes the right to select an attorney of the accused’s choice. The essential aim of the Sixth Amendment is to guarantee an effective advocate for each criminal defendant rather than to [e]nsure that a defendant will inexorably be represented by the lawyer whom he prefers. We note that courts have an independent interest in ensuring that criminal trials are conducted within the ethical standards of the profession and that legal proceedings appear fair to all who observe them. Therefore, where it is shown that an actual conflict or the potential for conflict exists, the presumption in favor of an accused’s counsel of choice will be overcome. As there is a necessity of avoiding the appearance of impropriety, it is incumbent upon a court faced with either an actual or potential conflict of interest, regarding attorney representation, to conduct an appropriate inquiry and, if need be, grant the motion for disqualification. The trial

court must be given substantial latitude in granting or denying a motion for attorney disqualification.

*State v. Shores*, 102 N.C. App. 473, 474–75 (1991) (cleaned up).

In sum, the Sixth Amendment provides Defendants with a “presumption in favor of [their] counsel of choice[.]” *Id.* at 475. However, as instructed by the United States Supreme Court:

The [trial] [c]ourt must recognize a presumption in favor of petitioner’s counsel of choice, but that presumption may be overcome not only by a demonstration of actual conflict but by a showing of a serious potential for conflict. The evaluation of the facts and circumstances of each case under this standard must be left primarily to the informed judgment of the trial court.

*Wheat v. United States*, 486 U.S. 153, 164 (1988). That Court, though, recognized that the trial court must be given “substantial latitude” in making the call:

Unfortunately for all concerned, a [ ] court must pass on the issue whether or not to allow a waiver of a conflict of interest by a criminal defendant not with the wisdom of hindsight after the trial has taken place, but in the murkier pre-trial context when relationships between parties are seen through a glass, darkly.

...

[C]ourt[s] must be allowed substantial latitude in refusing waivers of conflicts of interest not only in those rare cases where an actual conflict may be demonstrated before trial, but in the more common cases where a potential for conflict exists which may or may not burgeon into an actual conflict as the trial progresses.

*Id.* at 162–63. We, therefore, review a trial court’s orders for abuse of discretion. *See Rogers*, 219 N.C. App. at 299.

STATE V. PITTMAN

*Opinion of the Court*

During the motion hearing, the State argued:

[W]ith respect to the . . . matters in which [Defendant Pittman and Defendant Patel] are codefendants, for most purposes, they were there together. They had a chance to see, observe, hear, and know about each other's activities.

And in this case, Mr. Patel has given statements both to law enforcement and testified in court. And statements that while . . . they may not be . . . we would contend are inculpable of Mr. Pittman. And with respect to that, for instance, things like placing him at a certain location or saying that he said something and those kinds of things. And that has now been stated.

Mr. Pittman and Mr. Patel, because of respective facts in the case, the State may assess that they have differing levels of culpability. And because of that, we don't intend or we don't think that necessarily that we would seek the same result in the case or that the same result would be just. And then that is where the conflict or the State perceives a conflict is -- arising.

Number one, not only because of the facts and . . . whether or not . . . the attorneys are going to be able to look out individually for the different defendants, but also with respect to this limits the State's ability to . . . deal with these respective defendants.

And for instance, if the State were to confer immunity on one or the other defendant, would they . . . not then be in a position to, what I would see as what seems to be the . . . plan now or what I see is a tactic, which is the circle of wagons. Like we're just not going to talk. We're going to be in a position where we're all going to plead the Fifth, and therefore, you know, we're . . . going to prevent you from getting certain facts into evidence. Which, number one, I don't think would work anymore because Mr. Patel has given statements already and he would be an unavailable witness [if he pled the Fifth]. And thus, his prior statements could come in as a hearsay exception.

STATE V. PITTMAN

*Opinion of the Court*

But in the second sense, . . . we could not give him plea offers because in this case we don't really know exactly what the status is. And so if . . . we were to decide to confer immunity on one or the other defendant, they would no longer have the right not to testify. They would then be compelled to testify or risk criminal sanctions by the [trial] [c]ourt with respect to contempt.

So I think the [trial] [c]ourt's inquiry, number one, we have this issue about whether or not there is a conflict presently or the substantial risk of a conflict in the future.

. . .

So what this inquiry asks the [trial] [c]ourt to do is to look into the future, which is a very difficult kind of thing. But that's something that the [trial] [c]ourt is going to have to do . . . .

The second thing is what [D]efendants cannot do is say that no conflict exists and it never will be. And the reason why is, you know, as we go from point A to point B, . . . this is not static. And day to day, week to week facts become available; decisions get made . . . . [I]t unfairly restricts the [D]efendants' ability and the State's ability to make decisions in the interim as they prepare for trial.

In its orders, the trial court found that “[i]n April and May of 2020, Defendant Patel’s position within the VCSO was much junior to that of Defendant Pittman.” The trial court further found, based on an affidavit of the officer who interviewed Defendant Patel, that Defendant Patel confirmed traveling with Defendant Pittman to a location at which both Defendants are accused of committing criminal acts, and the officer recounted the statement that Defendant Patel gave to law enforcement, which the State contended to be inculpatory of Defendant Pittman. The trial court also made findings that trial counsel indicated neither Defendant would accept any

STATE V. PITTMAN

*Opinion of the Court*

plea deals offered by the State and claimed that the State had already presented an offer to Defendant Patel, which he declined, but that the State indicated it was still considering offering immunity to one of the two Defendants. The trial court found, after it inquired as to whether trial counsel would advise either Defendant to accept an offer of immunity, trial counsel indicated that it was their understanding that neither Defendant would testify against the other and, therefore, “that prospect means nothing . . . .” Specifically, the trial court determined:

3. At a minimum, a potential conflict of interest exists in that both Defendant Pittman and Defendant Patel are named co-conspirators in their respective indictments. Counsel conceded this fact during the 9 November 2021 hearing.

4. Defendant Patel’s statements could potentially be used against Defendant Pittman in Defendant Pittman’s trial creating a conflict of interest.

5. Should either Defendant Pittman or Defendant Patel testify against the other, defense counsel’s ability to effectively cross-examine or impeach either testifying Defendant would be substantially impaired due to counsel’s dual representation. The fruition of this possibility would create a real and direct conflict of interest for Mr. Hairston and Mr. Brown.

6. Additionally, there is the appearance of a conflict if either Defendant Pittman or Defendant Patel were convicted of any of the charged offenses. In such a case, it would appear that such defendant could have mitigated his punishment by turning State’s evidence but failed to do so upon defense counsel’s advice. In this situation, defense counsel cannot aid one co-defendant without harming the second co-defendant.

STATE V. PITTMAN

*Opinion of the Court*

7. The fact that Defendant Patel is a much junior officer to Defendant Pittman suggests these co-Defendants have different levels of alleged culpability. This variance in the level of the Defendants' alleged culpability indicates Defendant Patel may likely receive a more generous plea offer than Defendant Pittman.

8. Should either Defendant Pittman or Defendant Patel accept an offer of immunity and testify for the State, that Defendant would essentially become a prosecuting witness.

9. In such a case, confidential communications from either or both co-Defendants with their counsel of a revealing nature which might otherwise prove to be quite helpful in the preparation of a case might be suppressed.

10. Also, extensive cross-examination, particularly of an impeaching nature, may be held in check.

11. If such an event occurs, then duties of loyalty and care might be compromised if the attorney tries to perform a balancing act between two adverse interests.

12. The potential conflicts that could readily become actual conflicts in the joint representation of Defendant Pittman and Defendant Patel are not limited to those previously enumerated.

13. Given counsel's own admission to the existence of several potential conflicts of interest, the [c]ourt is concerned that any such potential conflict would readily materialize into an actual conflict of interest mid-trial. If such an event occurs, the interests of justice would require the trial court to declare a mistrial.

14. A mistrial under these circumstances would prejudice all parties involved, as well as the [c]ourt's interest in the efficient administration of justice.

15. This [c]ourt is charged with considering the possibility that the government may seek to manufacture a conflict in order to prevent a defendant from having a particularly

STATE V. PITTMAN

*Opinion of the Court*

able defense counsel at his side. This [c]ourt has carefully considered this possibility, and given the presence of potential conflicts, as well as the possibility an actual conflict would develop, this [c]ourt finds and concludes that no manufactured conflict exists.

...

18. Based on the foregoing, the [c]ourt concludes this case presents a non-waivable conflict of interest for Defendant [Pittman or Patel] and declines to accept Defendant Pittman's waiver of conflict-free counsel.

19. . . . potential conflicts and/or the appearance of conflicts outweigh [Defendant Pittman or Defendant Patel's] Sixth Amendment right to counsel of his choice.

(Internal marks and citations omitted.)

We have reviewed the orders of the trial court and have considered the arguments of counsel on appeal, including concerns raised by Defendants that the State should not be allowed to "create" a potential conflict by stating that it may offer one defendant immunity or a deal. Based on our review of the record, it may have been within the discretion of the trial judge to have allowed Defendants to be represented by the same counsel based on the waivers of conflict executed by Defendants. However, we are compelled by precedent to give the trial court wide discretion to make the call. The trial court has made its call. And based on the unchallenged findings and findings supported by the record, we conclude that the trial court did not abuse its discretion in its orders. We, therefore, affirm those orders.

**MOTION TO DISMISS**

NOW COME Respondents Curtis Brame, the duly elected and sworn Sheriff of Vance County (hereinafter Sheriff), and County of Vance, North Carolina (hereinafter County) by and through counsel, and hereby move to dismiss the Petitioner's pleading pursuant to Rules 12(b)(1), 12(b)(2), and 12(b)(6) of the North Carolina Rules of Civil Procedure, and County additionally moves to dismiss pursuant to Rule 12(b)(5). In support of this Motion to Dismiss, Respondents Sheriff Brame and Vance County respectfully show unto the Court the following:

1. The Petitioner, the Honorable District Attorney Michael D. Waters, filed the instant special proceeding action on November 5, 2024. Therein, the Petitioner purports to bring a common law replevin claim on a 2007 White Cadillac STS, titled in the name of the County of Vance, North Carolina.

2. The County of Vance was purportedly served with process of the Summons and Special Proceeding by serving the undersigned as the appointed County Attorney, although Rule 4(j)(5) does not list such official as a proper party for service on a North Carolina County.

3. Petitioner alleges the Sheriff and his Deputies failed to properly perform their duties as required by law.

4. Petitioner further alleges that certain Vance County Deputies Patel, Pittman, and Staton, have committed criminal activity in connection with transferring the ownership of the subject 2007 White Cadillac STS.

5. Petitioner acknowledges and alleges that said Vance County Deputies do not have an individual property right in the subject vehicle, and therefor they are not a proper party to this Petition.

6. An action for Replevin is an action to recover the possession of an item of personal property, in this matter, the subject 2007 White Cadillac STS.

7. Petitioner has made no allegations or claims to ownership rights or possessory rights of the subject vehicle.

8. Petitioner, as a legislatively created office, only has the powers and duties specifically enumerated within the creating legislation for such office, to wit: Article 9 of Chapter 7A in the North Carolina General Statutes.

9. Specifically, GS 7A-61, provides the following relevant authorization “Duties of district attorney. The district attorney shall prepare the trial dockets, prosecute in a timely manner in the name of the State *all criminal actions* and infractions requiring prosecution in the superior and district courts of the district attorney's prosecutorial district,....” (emphasis added).

10. A fundamental requirement in all court actions requires that the litigant is entitled to have the court decide the merits of the dispute. Without an alleged possessory interest in the subject vehicle, and without legislative authority to bring or prosecute a **civil, common law replevin special proceeding**, the Petitioner lacks the required Standing to bring the subject special proceeding.

11. "Standing refers to whether a party has a sufficient stake in an otherwise justiciable controversy such that he or she may properly seek adjudication of the matter." *Beachcomber Props., L.L.C. v. Station One, Inc.*, 169 N.C. App. 820, 823, 611 S.E.2d 191, 193 (2005) (citations omitted). "The North Carolina Constitution confers standing to sue in our courts on those who suffer the *infringement of a legal right ....*" *Comm. to Elect Dan Forest*, 376 N.C. at 608, 853 S.E.2d at 733 (emphasis added). "A plaintiff must establish standing in order to assert a claim for relief." *United Daughters of the Confederacy v. City of Winston-Salem*, 383 N.C. 612, 625, 881 S.E.2d 32, 44 (2022) (citation omitted). "Standing is a necessary prerequisite to a court's proper exercise of subject matter jurisdiction, and standing is required to seek a declaratory judgment ...." *Id.* at 652, 881 S.E.2d at 61, 383 N.C. 612 (Newby, C.J., concurring) (internal citation omitted).

12. Petitioners claims against Brame and County are barred by sovereign immunity, governmental immunity, public officer's immunity, and other relevant immunities.

13. Additionally, the alleged actions, based upon the allegations in the Petition, occurred no later than May 28, 2020. Therefore, pursuant to N.C.G.S. 1-52, the statute of limitations has run, and bars the allegations asserted.

14. Based upon all of the foregoing, the Petition is barred by statute of limitations, sovereign immunity, governmental immunity, lack of jurisdiction over the subject matter, lack of jurisdiction over the person, insufficiency of service of process and failure to state a claim against Respondents Brame and County upon which relief can be granted, and therefore this action should be dismissed.

WHEREFORE, Respondents Brame and County respectfully pray as follows:

1. That the Court dismiss the Plaintiff's claims against them with prejudice;
2. That the costs of this action be taxed against the Plaintiff; and
3. For any such other and further relief as the Court shall deem to be just and proper.

**§ 153A-40. Regular and special meetings.**

(a) The board of commissioners shall hold a regular meeting at least once a month, and may hold more frequent regular meetings. The board may by resolution fix the time and place of its regular meetings. If such a resolution is adopted, at least 10 days before the first meeting to which the resolution is to apply, the board shall cause a copy of it to be posted on the courthouse bulletin board and a summary of it to be published. If no such resolution is adopted, the board shall meet at the courthouse on the first Monday of each month, or on the next succeeding business day if the first Monday is a holiday.

If use of the courthouse or other designated regular meeting place is made temporarily impossible, inconvenient, or unwise, the board may change the time or place or both of a regular meeting or of all regular meetings within a specified period of time. The board shall cause notice of the temporary change to be posted at or near the regular meeting place and shall take any other action it considers helpful in informing the public of the temporary change.

The board may adjourn a regular meeting from day to day or to a day certain until the business before the board is completed.

(b) The chairman or a majority of the members of the board may at any time call a special meeting of the board of commissioners by signing a written notice stating the time and place of the meeting and the subjects to be considered. The person or persons calling the meeting shall cause the notice to be delivered to the chairman and each other member of the board or left at the usual dwelling place of each at least 48 hours before the meeting and shall cause a copy of the notice to be posted on the courthouse bulletin board at least 48 hours before the meeting. Only those items of business specified in the notice may be transacted at a special meeting, unless all members are present or those not present have signed a written waiver.

If a special meeting is called to deal with an emergency, the notice requirements of this subsection do not apply. However, the person or persons calling such a special meeting shall take reasonable action to inform the other members and the public of the meeting. Only business connected with the emergency may be discussed at a meeting called pursuant to this paragraph.

In addition to the procedures set out in this subsection, a person or persons calling a special or emergency meeting of the board of commissioners shall comply with the notice requirements of Article 33B of General Statutes Chapter 143.

(c) The board of commissioners shall hold all its meetings within the county except:

- (1) In connection with a joint meeting of two or more public bodies; provided, however, that such a meeting shall be held within the boundaries of the political subdivision represented by the members of one of the public bodies participating;
- (2) In connection with a retreat, forum, or similar gathering held solely for the purpose of providing members of the board with general information relating to the performance of their public duties; provided, however, that members of the board of commissioners shall not vote upon or otherwise transact public business while in attendance at such a gathering;
- (3) In connection with a meeting between the board of commissioners and its local legislative delegation during a session of the General Assembly; provided, however, that at any such meeting the members of the board of commissioners may not vote upon or otherwise transact public business except with regard to matters directly relating to legislation proposed to or pending before the General Assembly;
- (4) While in attendance at a convention, association meeting or similar gathering; provided, however, that any such meeting may be held solely to

discuss or deliberate the board's position concerning convention resolutions, elections of association officers and similar issues that are not legally binding upon the board of commissioners or its constituents.

All meetings held outside the county shall be deemed "official meetings" within the meaning of G.S. 143-318.10(d). (Code, s. 706; Rev., s. 1317; C.S., s. 1296; 1945, c. 132; 1951, c. 904, s. 1; 1961, c. 154; 1967, c. 617, s. 1; 1969, c. 349, s. 1; c. 1036; 1973, c. 822, s. 1; 1977, 2nd Sess., c. 1191, s. 6; 1985, c. 745.)

**§ 153A-27. Vacancies on the board of commissioners.**

(a) If a vacancy occurs on the board of commissioners, the remaining members of the board shall appoint a qualified person to fill the vacancy. If the number of vacancies on the board is such that a quorum of the board cannot be obtained, the chairman of the board shall appoint enough members to make up a quorum, and the board shall then proceed to fill the remaining vacancies. If the number of vacancies on the board is such that a quorum of the board cannot be obtained and the office of chairman is vacant, the clerk of superior court of the county shall fill the vacancies upon the request of any remaining member of the board or upon the petition of any five registered voters of the county. If for any other reason the remaining members of the board do not fill a vacancy within 60 days after the day the vacancy occurs, the clerk shall immediately report the vacancy to the clerk of superior court of the county. The clerk of superior court shall, within 10 days after the day the vacancy is reported to him, fill the vacancy.

(b) If the member being replaced was serving a two-year term, or if the member was serving a four-year term and the vacancy occurs later than 60 days before the general election for county commissioner held after the first two years of the term, the appointment to fill the vacancy is for the remainder of the unexpired term. Otherwise, the term of the person appointed to fill the vacancy extends to the first Monday in December next following the first general election for county commissioner held more than 60 days after the day the vacancy occurs; at that general election, a person shall be elected to the seat vacated, either to the remainder of the unexpired term or, if the term has expired, to a full term.

(c) To be eligible for appointment to fill a vacancy, a person must (i) be a member of the same political party as the member being replaced, if that member was elected as the nominee of a political party, and (ii) be a resident of the same district as the member being replaced, if the county is divided into electoral districts. The board of commissioners or the clerk of superior court, as the case may be, shall consult the county executive committee of the appropriate political party before filling a vacancy, but neither the board nor the clerk of the superior court is bound by the committee's recommendation. (Code, s. 719; 1895, c. 135, s. 7; Rev., s. 1314; 1909, c. 490, s. 1; C.S., s. 1294; 1959, c. 1325; 1965, cc. 239, 382; 1967, cc. 7, 424, 439, 1022; 1969, cc. 82, 222; 1971, c. 743, s. 1; 1973, c. 822, s. 1; 1985, c. 563, ss. 7.3, 7.4; 2017-2, s. 1.)

§ 153A-27. Vacancies on the board of commissioners. (Edited for Alston seat vacancy, Jan, 25)

If a vacancy occurs on the board of commissioners, the remaining members of the board shall appoint a qualified person to fill the vacancy.

If for any other reason the remaining members of the board do not fill a vacancy within 60 days after the day the vacancy occurs (March 2, 2025), the clerk shall immediately report the vacancy to the clerk of superior court of the county. The clerk of superior court shall, within 10 days after the day the vacancy is reported to him, fill the vacancy.

The term of the person appointed to fill the vacancy extends to the first Monday in December next following the first general election (November, 2026) for county commissioner held more than 60 days after the day the vacancy occurs; at that general election, a person shall be elected to the seat vacated, either to the remainder of the unexpired term or, if the term has expired, to a full term. (Commissioner Alston was elected in 2022 and served a 4 year term)

To be eligible for appointment to fill a vacancy, a person must (i) be a member of the same political party as the member being replaced (Democrat), and (ii) be a resident of the same district as the member being replaced.

The board of commissioners or the clerk of superior court, as the case may be, shall consult the county executive committee of the appropriate political party before filling a vacancy, but neither the board nor the clerk of the superior court is bound by the committee's recommendation.

## Cooperative Extension – December 2024

### Agriculture/Horticulture/Small Farms/Farmers Market

Shortly after Thanksgiving our agents returned to the office full of energy (and turkey) and ready to finish the year strong. And what an amazing year it has been!

First, we'd like to thank RJ Cassle for speaking to the Vance and Warren County Beekeepers Association members learned about the history mead, the fermentation process required to make it, and techniques that modern producers are using. The evening ended with an open invitation from the association to their next event at 6pm on January 13th titled "**So, You Want To Be A Beekeeper.**" Shortly thereafter, Beginner Beekeeper School will start at 9am on January 18th. This is a fantastic 7 week course designed to jump start your apiary and introduce you to all the resources needed to be a successful first year beekeeper! Classes will be virtual and in person at the Vance County Regional Farmers Market. Please visit the link below to find information about registering!

Second, we'd also like to thank local farmer Patrick Brown of Brown Family Farms for being kind enough to host Extension agents along with a media team from the Center for Environmental Farming Systems (CEFS) for a tour of Mr. Brown's high tunnel operation. The structures were funded in part by a grant from the Natural Resources Conservation Service (NRCS) and have been critical in extending the growing season for many farmers. Mr. Brown also credited NC Cooperative Extension with helping install irrigation systems and providing ongoing technical assistance. Mr. Brown also highlighted the importance of utilizing the many resources and organizations available to support agriculture.

In fact, Vance County is home to one such organization that has been helping support agriculture for over 100 years! Farm Bureau sponsored the annual Farm City Banquet designed to join rural and urban areas of the county in a celebration of agriculture. After remarks from Sandra Wilkerson of the Henderson-Vance Chamber of Commerce, keynote speaker Mark Pace of the North Carolina Genealogy Room at the Richard H. Thornton Library in Oxford presented the history of agriculture in Vance County. Additional speakers included members of several youth organizations including the Future Farmers of America (FFA), 4-H Muddy Boots Ag Club, and the Boys & Girls Club of Central North Carolina's Garden Club. After hearing such wonderful presentations, most attendees agreed that the future of agriculture is bright and full of opportunities.

Finally, though we're always looking forward to such a bright future, we're also interested in learning more about our past. This summer the Vance County Center will celebrate 65 years of service from the same spot on Young Street and we think it's a great time to look back and take note of all we've accomplished with your help. As we make preparations to celebrate the Evolution of Extension, we're looking for people to share their story with us. Have you served with Extension in the past? Has Extension played a part in helping

you? Whatever your story is, big or small, we want to hear from you! Reach out to us at (252) 438-8188 or stop by the office at 305 Young St. during business hours.

### **4-H Youth Development / 4-H STEM**

Game of Drones 2025 is officially underway! This year, we're proud to have seven middle school teams and six high school teams from nine counties across the state.

Teams will participate in training sessions for Sphero Bolt, aerial drones, and land drones. While some sessions will take place as a cohort, much of the training will happen within their respective counties. We're excited to see everyone come together for the competition in April!

Additionally, over thirty youth are participating in Teen LEADS (Learning to Educate others About STEM). Through this program, participants develop leadership, communication, and STEM facilitation skills to share with K-12 students in their communities. We're eager to see the innovative STEM, robotics, and Artificial Intelligence activities these young leaders bring to their counties. Many of these youth will have an opportunity to attend either the Ignite Conference in Washington, DC, or Space Camp in Huntsville, Alabama, later this year.

### **Family and Consumer Science**

Our Family and Consumer Science agent and County Extension Director, Wykia Macon, has joined Vance County Team Wellness. The purpose of the team is to promote a healthy lifestyle and to support the well-being of all county employees. We hope to get more county staff involved, motivated and excited about health and wellness!

**Cooking Tip: Soup Starter Bags** - Got leftover carrots and celery from a party tray? Dice them up and create soup starter bags for your freezer! In just about an hour, you can prepare enough to start 6 large pots of soup in the future—saving time and reducing waste.

**Holiday Turkey Salad Recipe** - Leftover turkey? Try this delicious "Holiday Turkey Salad"! In a small bowl, mix 1 cup of plain nonfat Greek yogurt with 1 tablespoon of honey. In another bowl, combine 1 can of pineapple chunks, 1 cup of halved grapes, 3 chopped celery stalks, and ¾ cup of pecans. Add about 2 pounds of chopped turkey breast and mix in the yogurt dressing until it reaches your desired consistency. Chill and enjoy!

**Looking Ahead: Cooking & Baking Classes in 2025** - Vance County Cooperative Extension is excited to offer more opportunities to enhance our cooking and baking skills in 2025. If you're interested in sharing your expertise by leading a class, we're always looking for volunteers. We're here to support you every step of the way!

Stay tuned for more details, and let's make 2025 a healthier, tastier year!

### **Parenting Program**

We are dedicated to strengthening family dynamics by empowering fathers in their vital role within the household. We would like to express our gratitude to the Mayor for officially declaring December 13th as Supporting Father Involvement Day, which acknowledges

the crucial role of fatherhood in our community. This proclamation not only highlights the significance of our program but also sets the stage for deeper community engagement. We are also in the final stages of hiring a dedicated Case Manager who will work closely with program participants to ensure the success of our services. Our inaugural 8-week class series is set to begin in January 2025, marking a pivotal moment for the program. These exciting developments position the Supporting Father Involvement (SFI) program to create lasting, positive change for families across Vance County.

12/13/24- The House of Representatives has passed the Senator Elizabeth Dole 21<sup>st</sup> Century Veterans Healthcare and Benefits Improvement Act, which introduces several reforms aimed at enhancing veterans' healthcare, benefits, and support services. The bill, approved in a bipartisan 389.9 vote, includes significant changes to existing programs and policies.

One of the major provisions of the bill increases the VA's coverage for home and community-based nursing care from 63% to 100%, giving aging and disabled veterans more options to receive care in their homes. The legislation also addresses veterans' homelessness by increasing per diem payments for transitional housing providers from 115% to 133% of costs. Additionally, it authorizes the VA to provide basic necessities such as bedding, food, and transportation to medical appointments for unhoused veterans.

12/17/24- The Department of Veterans Affairs (VA) provides travel pay reimbursement to eligible veterans and caregivers for costs related to travel to and from approved healthcare appointments. This program helps cover regular transportation expenses, such as mileage for personal vehicles or fares for planes, trains, buses and taxis, as well as approved meals and lodging during trips for medical care.
